ACKNOWLEDGEMENT

On this day I try to acknowledge my deepest gratitude from the base of my heart although I terribly face short of expressing my feelings into the poverty of words.

I consider it is a privilege to express a deep sense of gratitude and indebtedness to my guide Dr. P.K. Jain, M.D. MNAMS, Professor & Head of Department of Medicine, M.L.B. Medical College, Jhansi for the untiring help, able guidance, valuable suggestions, careful supervision provided by him during entire period of this study. I am indebted to him for sharing with me his treasure of knowledge and experience.

I am really very lucky to have had an opportunity to work under him. It would be not an exaggeration but for his endless patience and above all his affectionate nature, heartening words and his dedication to provide me with every opportunity to learn the subject otherwise I could not have completed this project. Things I have learnt from him will help me throughout my career.

In no less degree I express my sincere thanks to my Co-Guide Dr. D.C. Govil MD, Professor, Department of Skin & VD MLB Medical College Jhansi (U.P.), who gave me encouragement, suggestion and close supervision.
It gives me great pleasure to express my sincere thanks to Dr. Navneet Agarwal, M.D. Professor, Dr. Praveen Kumar, MD,DM., Professor (Cardiology), Dr. Gyanandra Kumar MD, Associate Professor, Department of Psychiatry for their valuable suggestion provided me time to time.

I also pay my respect to my Elder brother and sister in law for their constant inspiration and blessings.

I would be callous my part not to mention MR. SHASHANK JAIN (Net Sol) Jhansi for devoting his valuable time for his flawless typing and made this printing neat and faultless.

Finally I thanks all those whose names could not be mentioned here and who helped me at all stages of this work
