Acknowledgements

My dream began with a teacher who believed in me, whose wisdom and knowledge raised me to the next plateau. Above all and the most needed, my guide Dr. R Damodaran, Retired Professor, Dept. of Marine Biology, Microbiology and Biochemistry, provided me unflinching encouragement and support in various ways. I owe a lot to him.

I would like to express my deep sense of gratitude and obligation to my co-guide Dr. Rosamma Philip, Senior Lecturer, Dept. of Marine Biology, Microbiology and Biochemistry. Her truly scientist intuition has made her a constant oasis of ideas and passions in science, which exceptionally inspired and enriched my growth as a student and a researcher. She was a perfect mentor whose guidance, moral support, joy and enthusiasm motivated me in the successful completion of my work.

I gratefully acknowledge Dr. Aneykutty Joseph, Head, Department of Marine Biology, Microbiology and Biochemistry for providing all the help and facilities to work in the department.

My sincere thanks to Dr. H. S Ram Mohan, Director and Dean, School of Marine Sciences for providing all the facilities for research. I am thankful to all the teachers in the Department of Marine Biology, especially Dr. Babu Philip, Dr. C K Radhakrishnan, Dr. A V Saramma, Dr. A A Mohamed Hatha and Dr. Bijoy Nandan for their valuable advice, suggestions and support. I also thank the non-teaching staff of the department for their help and good wishes. The help provided by the library staff is also acknowledged.

My heartfelt gratitude to Dr. I S Bright Singh, Co-ordinator, National Centre for Aquatic Animal Health for his inspiration, help and facilities provided throughout my work period.

I acknowledge Mr. V Ravindranathan, Former Director, CMLRE, Ministry of Earth Sciences for providing the facilities to collect the samples during the cruises of FORV Sagar Sampada for this study. Sincere thanks to Dr. V N Sanjeevan, Director, CMLRE, Ministry of Earth Sciences for his valuable help and suggestions during this endeavour. I am thankful to SCI staff and CMLRE staff onboard FORV Sagar Sampada for helping me in sample collection.
I express my thanks to University Grants Commission for financial support as Junior and Senior Research Fellowships.

I am indebted to Dr. Viswanathan, Scientist, R & D section and Mr. Jimmon, Technical staff, BPCL Kochi Refineries Limited for helping in chromatographic analyses.

I express my gratitude to Dr. A Gopalakrishnan, Director, Ms. Divya and Ms. Sajeela, NBFGR, Cochin unit CMFRI for their help and support.

I wish to acknowledge Dr. Douglas Lowman for the NMR analysis of the melanin samples extracted from the black yeasts.

I deeply appreciate the prayers and moral support rendered my teachers Dr. Bhanumathi, Ms. Elizabeth, Dr. Tessy, Ms. Valsala, Ms. Annie and Dr. Kezia.

My immense thanks to Dr. Nandini Menon, Dr. T M Najmudeen, Dr. Soja Louis, Dr. Radhika Gopinath and Dr. Mujeeb Rahman for their valuable suggestions and help.

I take this opportunity to complement the bond of love shared for years with my friends Ms. Anju Aravind, Ms. Rosebeth Chakola, Ms. Susmitha V, Mr. Shine M V.

The deep and affectionate friendship of Ms. Biji U Nair cannot be contained in words. It is difficult to find words to explain the unparallel friendship and sisterly affection I share with Ms. Anila Tony who stood by me through all the tough times.

Mere words of thanks will be inadequate for the timely help, love and concern rendered by my friends Ms. Manjusha K and Ms. Simi Joseph P.

It is difficult to find words for friendship I shared with my classmates especially Ms. Divya Daniel, Ms. Annie Feby, Ms. Priyaja P, Ms. Dhanya Balakrishnan, Ms. Vrinda S and Ms. Shaani Anup. Thanks to rest of my MSc classmates for their help rendered during the course of my study in CUSAT.

The precious friendship of Ms. Maya Paul, and Ms. Sincy Joseph who guided me through all the hardships cannot be expressed in words. Brotherly affection got life from Mr. Subish T who was always there for me rendering a helping hand. My sincere appreciation for the help and support by my friends Ms. Prabha Pillai, Ms. Thara S, Ms. Smitha B R, Mr Anoop A Krishnan and Mr. V K Pradeepkumar.

I express my gratitude to my seniors Dr. Sreevalsam Gopinath, Dr. Anil Kumar V and Dr. Joydas T V, for their valuable help and suggestions. I would like to
express my sincere thanks to senior colleagues Dr. Lakshmi G Nair, Dr. Anupama Nair, Ms. Bindya Bhargavan, Dr. Annies Joseph, Dr. Priyalakshmi G, Dr. Sanil Kumar M G, Ms. Feeba Rani, Mr. Jaleel K U, Dr. Selven S, Mr. Noushar Khan and Mr. Neil S Correya.

I am extremely privileged to have the love and care from Dr. Valsamma Joseph to whom I am deeply indebted. My collective and individual acknowledgments are also owed to my colleagues and technical staff at NCAAH. My special thanks to Ms. Sreelakshmi, Ms. Seena Jose, Dr. Somnath Pai, Mr. Sreedharan, Ms. Gigi Poulose, Mr. Deepesh, Ms. Manju N J and Ms. Sunitha Poulose.

My mother, Mrs. Sulochana N Kutty, always stood by me, inspired and motivated me throughout my career. My gratitude for her cannot be expressed in words and without her generous support this work would not have been successfully completed.

There is no comparison for the love and support, of my dear husband, Mr. Binoy, who has always been a patient companion. I am indebted to my in-laws for their constant support.

I sincerely thank all those who helped me in one way or other in successful completion of this endeavour.

Above all I thank God almighty for all the success and blessings in my life.

Sreeveeli N Kutty
