ACKNOWLEDGEMENT

Today, when I look back for the strong associated journey with Bharati Vidyapeeth, the first name comes in mind is of creative thinker Hon’ble Dr. Patangraoji Kadam, Founder, Bharati Vidyapeeth and Chancellor, Bharati Vidyapeeth Deemed University, Pune. I must thank him for the trust shown on me during this journey. The second name in this journey belongs to Hon’ble Professor Dr. Shivajirao Kadam, Vice-Chancellor, Bharati Vidyapeeth Deemed University, Pune. I owe him a debt of gratitude for his continuous encouragement. I must thank him for providing all the exceptional support required for achievement of my research work. I am grateful to Dr. Vishwajit Kadam, Secretary, Bharati Vidyapeeth, Pune for providing me the necessary facilities for my research work.

I owe a special note of gratitude to our Principal and Dean, Professor Dr. A. R. Bhalerao for his moral support during execution of this research work. In spite of his pre-occupation with several academic and administrative responsibilities and assignments, he has been kind enough to spare valuable time for the necessary counsel, constant encouragement, timely suggestions, and proper guidance.

It is my proud privilege to express my deep sense of gratitude, devotion and respectful regards to my revered guide Dr. S. D. Joshi Professor, Department of Computer Engineering for introducing me to this fascinating research field. His constant support, affection, encouragement, valuable suggestions and sincere constructive criticism at every stage of this work made my task much easier. I have learnt a lot from his meticulous planning and implementation, dedication, hard work and approach for perfection during study. My association with him for the past few years was a rewarding experience, which will be cherished by me all along. I remain owe towards him forever.

I am deeply indebted to Dr. D. S. Bilgi, Principal, College of Engineering for Women, Pune for extended support and encouragement during execution of this work. It is my pleasant duty to thank, extending a helping hand and supporting me throughout my research work. Very special thanks to Prof. M. N. Hoda, Director BVICAM New Delhi for his help during this research work.
I am thankful to Dr. Suhas Patil (BVCOE, Pune), Dr. Sarang Joshi (PICT, Pune), Dr. Vilas Nadavadekar (Director, MCA-SIOM, Pune) Dr. Prasanna Joeg (VIT, Pune), Dr. S. R. Patil (Vice Principal, BVCOEW Pune), Dr. D. A Godse (HoD, IT BVCOEW, Pune), Dr. Devendra Thakur (BVCOE, HoD, Comp) and Dr. Suvarna Patil (BVCOEW) for review and continuous guidance during my research work.

I am thankful to Mr. Deepesh Shaha (Managing Director, Intelligent Quotient System Pvt. Ltd. Pune), Mr. Sachin Deshpande and Mr. A. V. Dhaigude for real industrial exposure and productive suggestions during my research work.

The financial support given by Savitribai Phule, University of Pune under BCUD for the execution of this research work is gratefully acknowledged.

I wish to express my sincere and respectful thanks to Mrs. Savita Itkarkar, for her constant support and valuable suggestions.

It is said that ‘accomplishment must be credited to those who have put up the foundation of the particular chore’. I would like to thank my parents, Mummy and Papa were always ready to help me at all times Now I can only show you my extreme appreciation for your support by being true to all the ideals and values that you tried to teach me thank you forever or standing by me I love and appreciate you forever. Last but not the least my brother Dr. Pankaj and Dr. Parag, their support and blessings have accelerated my performance and success. Their kind support and motivation has helped me to complete this work successfully.

I must thank to my beloved husband Dr. Jyotiram Gujar who is the best advisor and well wisher being always with me during completion of this research work. His enthusiasm and integral view on research and mission for providing only high quality work and not less has made a deep impression on me. I owe him lots of gratitude for having me shown this way of research. I learned to believe in my future, my work and myself only because of him.

I would like to thank Dr. Ujwal Patil (UDCT Jalgaon), Deepak Ubale (IITK), Dr. Dadasaheb Shandge (IITB) and Dr. Ravi (IITR) for helping throughout for literature survey and books during my research work.
I express my sincere thanks to all the Teaching and Supporting staff of Bharati Vidyapeeth, Pune and BVCOEW Pune for their kind co-operation and encouragement.

Finally, I thank all those several other people who have knowingly or unknowingly helped me in the successful completion of this thesis for every ounce of effort they contributed. Without the support of all these known and unknown persons, I would have never succeeded in my endeavour.
