Acknowledgements

It is a matter of immense pleasure and proud privilege to me to express my heartfelt gratitude to all those personality who have been helping me in diversified ways.

This Doctoral research work was my humble effort to give some contribution in the field of Microbiology which could not have been possible without inspiring guidance of my esteemed guide Prof. S. P. Singh, Professor and Head of the Department of Biosciences, Saurashtra University, Rajkot, Gujarat, India. I am thankful for his valuable guidance, creative criticism and warm encouragement throughout the course of my study. He gently but firmly led to me along the difficult path of rectitude, his guidance denotes to the high spots of excellence. I am and shall ever remain very grateful for his warm affection that he has showered upon me at all the time. I feel thankful as he provided creative, encouraging environment, and teaching me valuable lessons in the Ph.D.

I express my gratitude to Prof. S.V. Chanda, Prof. V. S. Thaker, Prof. Rahul Kundu, Ms. Jigna Patel, Prof. N. S. Panchal, Dr. B.R.M. Vyas, Prof. V. C. Soni, Prof. A. N. Pandey, Dr. V. M. Trivedi and Dr. R. K. Kothari for their kind co-operation, moral support and valuable instruction and suggestion pertaining to my work.

I thank all the non teaching staff members of our Department, Dr. S. Bhatt, Ms. Lopamudra Joshi, Mr. R. Purohit, Mr. P. C. Pandya, Mr. Joshi, Mr. R. Solanki and others for the support they provided during my work.

I am thankful to administrative staff members Ms. Anjali and Mr. Dushyant for their kind and continuous support.

I am thankful to Kailash bhai, Chandresh bhai, Nitesh bhai, Raju Bhai, Vaghela bhai, Bhagu bhai and others for extending their help for all their jobs.

I sincerely acknowledge UGC, New Delhi, India for Meritorious Fellowship and Department of Biosciences, Saurashtra University for providing me platform to work.

I am thankful to Prof. P. H. Parsania, Department of Chemistry and Mr. Paras Vekariya for helping me with HPLC and GC-MS analysis.
I am thankful to Dr. Navin Sheth, Professor and Head, Department of Pharmacy and Mr. Ashish Vachhani for permission and technical help for HPLC and HPTLC analysis. I am also thankful to CSIR-CSMCRl, Bhavnagar for their help in HPLC analysis.

I am also thankful to Dr. C.D. Jadia, Intertek Lab, Mumbai, for providing laboratory facility and phytotoxicity analysis.

I express my sincere gratitude to my senior colleagues; Dr. Jigna Thummar, Dr. Chetna Rajyaguru, Dr. Chirantan Raval, Dr. Sandeep Pandey, Dr. Himanshu Bhimani, Dr. Megha Purohit and Dr. Vikram Rawal, and colleagues Dr. Sangeeta Gohel, Dr. Bhavtosh Kikani, Mr. Rushit Shukla, Ms. Kruti Dangar, Ms. Sejal Patel, Ms. Mansi Khokhara, Mr. Amit Sharma, Ms. Foram and Mr. Hitarth for their humble support.

I cherish the love, affection and rendered by my friends Sheetal, Rupal, Ashish, Jigna, Viral, Shweta, Vishal, Yogesh², Harsha, Prinsa, Chirag, Illa, Shyam and Gargi for their love and support.

I cherish the love, affection rendered by my friends and all M.Sc. Biotechnology and Microbiology students since 2008 for their constant support. I would always bare a fruits of being a part of Biotechnology programme at Department of Biosciences.

From the deep within, I acknowledge my family. No word would suffice to express my gratitude to my dearest parents for their cherished devotation, inspiration, care and blessing. I thank my husband, Mr. Sagar Panseriya who always encouraged me during the time of disappointment with his love and support. The words of thanks are not enough to express my feelings for his support. Thanks to my Parents-in-laws for their Blessings, love and care. I am also thankful to Bhavika Dii, Pritesh Jiju, Pooja, Akshay, Ravi and Gopi for their affection and moral support, without which the work would not have been completed. I assure them to be worthy of whatever they have done for me.

Its great fortune in vast universe, we worked on the omnipotent creature of the almighty God. I humbly bow down to almighty God for making me capable of carrying out this research tasks.
