ACKNOWLEDGEMENTS

I express my profound sense of gratitude and respect to my research Supervisor Prof. A. Subrahmanyam, Head of the Department, Dept. of Bio-Technology Meerut Institute of Engineering and Technology, Meerut, for his valuable guidance, constant encouragement and affection throughout the course of investigation. I am thankful to him for inculcating confidence to tackle problems of varied nature and for being a great source of inspiration.

I Sincerely thank and express my deep heartiest gratitude to Dr. K.R.S. Sambasivarao, Coordinator, Centre for Biotechnology Acharya Nagarjuna University, for his invaluable support during my research work.

I owe a special debt of gratitude to Prof. G. Devala Rao Principal KVSR Siddhartha College of Pharmaceutical Sciences, for providing me necessary facilities, resources and encouragement throughout my research work.

I am deeply indebted to Sri K.J.N. Prasad joint Secretary, and other members of Siddhartha Academy of General and Technical Education Vijayawada, for their encouragement and interest shown in my research.

It gives me immense pleasure to convey all my respects whole hearted gratitude and thanks to Dr.K.V.R.N.S.Ramesh, Principal Aditya College of Pharmacy Kakinada for his generous support, constant supervision, indefatigable help and encouragement throughout the work without whom it would not have been brought to completion.

My special thanks to my seniors Dr. A.Prameela Rani, Dr. N.Buchi Naidu, Sri.V.Rama Krishna, Sri. M.Eswar Gupta, Sri. G.Sudhar Saibabu for their timely help.
My heartfelt thanks to my friends and my colleagues Mrs. V. Karauna SREE, Mrs. N. Kanaka Durgdevi, Sri G. Ramana, Sri T. P. Rao for their help and encouragement.

I am very thankful to Librarian and all other non-teaching staff for their help during the course of my research work.

The author expresses her heartfelt thanks to KVSR Siddhartha College of Pharmaceutical Sciences, Vijayawada under Siddhartha Academy of General and Technical Education for providing Laboratory facilities to carry out my research work.

I express my thanks to Laila Impex, Vijayawada for providing the Spectral data.

I owe to my Parents and Family Members who have stood as pillars of support in all my endeavors, whose love and care is always there with me during all my difficult times. They are the source my inspiration always wishing the best for me.

I acknowledge with thanks to all who have directly or indirectly helped in the successfully completion of my dissertation.

I would like to thank the Almighty for providing strength and power for his divine blessing, which has helped me to accomplish this task successfully.

A. Bharathi
