ACKNOWLEDGEMENT

Acknowledgement of the favour received and previlages enjoyed is not simply a matter of going through a time honoured ritual. It is having the pleasure and satisfaction of discharging various debts of gratitude. But I am finding scarcity of words to express my gratitude to them. Yet fact must be evidently acknowledged and honest thankfulness unequivocally stated.

It was my proud previlage to have been associated with and remain under the constant vigilance of Dr. R.K. Gupta, M.D., MNAMS, Professor and Head of the Department of Pathology, M.L.B. Medical College, Jhansi throughout the period of my working on this thesis. His fatherly attitude, affectionate nature and heartening words constantly provided the confidence and enthusiasm so essentially vital to such project. His unvaluable suggestions, constructive criticisms, meticulous attention to details and never to be matched expertise has been primarily, if not singularly, responsible for presentation of this work in its present form. I find myself perpetually indebted to him.

I feel highly obliged to Dr. (Mrs.) Sushma Gupta, M.D., MNAMS, Associate Professor, Department of Physiology, M.L.B. Medical College, Jhansi for the pains she took in
getting my work completed. I am thankful for her skilled
guidance and unlimited help at every juncture of this work.

My words fail to express my deepest sense of
grateful to my respected teachers Dr. V.K. Sharma, M.D.,
D.C.P., Assistant Professor, Department of Pathology and
Dr. (Mrs.) Ratna, M.D., Assistant Professor, Department of
Pathology, M.L.E. Medical College, Jhansi for their expert
guidance and valuable advice from time to time.

I am thankful to my departmental colleagues,
Seniors and Juniors who have co-operated me in carrying
out the routine work at the laboratory.

I owe my sincere thanks to Mr. V. Lal, Librarian,
Central Library, M.L.E. Medical College, Jhansi. He was
always at his toes and provide me help in library at all
times.

The highly skilled work of typing was done by
Mr. Kanhaiya Lal, who made this printing neat and clean.

Lastly I express my hearty appreciation to my
mother, sister and my wife who gave me moral support during
my hours of desperation due to ever arising problem and time
consuming process.
