An extraordinary recognition turns to Dr. N. Kannan, Department of Chemistry, Ayya Nadar Janaki Ammal College, Sivakasi for philanthropic continuous support to do this work in a smooth manner.

I express my sincere thanks to Dr. N. Raman, Dr. P. Sami and Mr. R. Paul Pandian, Department of Chemistry, VHNSN College, Virudhunagar for their for their enthusiastic encouragement during this course.

I express my gratitude to Dr. R. Vasudevan, Dean ECA & Professor, and other teaching staff members of the Department of Chemistry, Thiagarajar College of Engineering, Madurai for their co-operation in my research work.

I also express my thanks to Dr. A. Xavier, Head & Associate Professor of Chemistry, The Madura College, Madurai for directly or indirectly helped me for the completion of the research work.

I am thankful to Dr. S. Sudharsan, Assistant Professor of Chemistry, PSR Engineering College, Sivakasi for his plentiful discussion and perpetual support from the origin directed me to current research work and also in recording In vitro Antibacterial Studies.

I would like to convey my thanks to Dr. N. Jeyabalan, Assistant Professor of Mathematics and Dr. S. Johnson Raja, Assistant Professor of Chemistry, PSR Engineering College, Sivakasi who offered their help in various ways.
It is my great pleasure to thank Dr. M. Ilayaraja, Mr. N.P. Krishnan, Associate Professor of Chemistry, K. L. N. College of Engineering, Madurai, Dr. Y. Brighton Arul Jacob, Assistant Professor of Chemistry, American College, Madurai, Mrs. K. Kavitha, Assistant Professor of Chemistry, N.M.S.S.V.N. College, Madurai, Mrs. S. Beulah Angelan, M.S. Sameem and A. Baishnisha, Research Scholar, Thiagarajar College, Madurai and other scholars of our college for their help during this work.

I convey my special gratitude to Dr. K. Pandian, Assistant Professor of Chemistry, University of Madras, Chennai for his constant encouragement.

I thank the Department of Nano technology, Mepco Schlenk Engineering College, Virudhunagar for providing AFM instrumental facilities. My sincere thanks are due to Dr. P. Sami, In-Charge of UV & FT-IR, Department of Chemistry, VHNSN College, Virudhunagar for providing UV & FT-IR facilities. My sincere thanks are due to the head, Department of Chemistry, Gandhigram Rural University and Karunya University for carrying out SEM-EDAX analyses. I express my beloved thanks to the Head, Department of Physics, Alagappa University, Karaikudi for carrying out XRD analyses.

I am very thankful to Dr. S. Balaji Assistant Professor of Chemistry, Thiagarajar College of Engineering, Madurai for giving the chance to take the TGA/DTA information.

I express my special thanks to my friends Mr. S. Sakthi Vadivel, Assistant Professor of Chemistry, Madura College, Madurai, Mr. K. Muthu Pandi and Mr. V. Ramasamy Raja, Research Scholar, Department of Chemistry, Thiagarajar College, Madurai.
I am indebted to my research colleague Dr.P.MuthuKrishnan, Assistant Professor of Chemistry, Karpagam University, Coimbatore for providing a stimulating and fun environment in which I learn and grow.

I would also like express gratitude to my research colleagues Mr.R. Emmanuvel, Dr.K.Vignesh, Mr. Ebinezer, Research Scholar, Department of Chemistry, Thiagarajar College, Madurai and Mr. P. Gnanaprakasam, Research Scholar, Karunya University, Coimbatore for constant support and basic help to complete my research work.

I hope to testimony my heartfelt thanks to Dr.J.Rejinis, Assistant Professor of Chemistry, Francis Xavier Arts and Science College, Tirunelveli and Mr. R.Ravichandran, Assistant Professor of Chemistry, Sri Kaleeswari Arts and Science College, Sivakasi for generous regular motivation and encouragement to complete my research work fruitfully in specific time.

I convey my extraordinary gratitude to Mr.P. MuthiIrulan, Research Scholar, Ayya Nadar Janaki Ammal College, Sivakasi for rendering his help in drawing Microcal Origin Diagram for the instrumental studies.

My heartiest pleasure goes to Mr.Nallathambi, Head Master & PG Assistant in Chemistry, S.S.S.N.Govt.High.School, Virudhunagar for his moral support and basic help to complete my research work.

I express my sincere thanks to LAB ASSISTANTS of the Department Chemistry, Thiagarajar College, Madurai.

Last but not least, I express my heartfelt thanks to my father, Mr. T. Sundarajan (Late), my mother, Mrs. S. Mariammal and my spouse,
