4.1 Establishment of regulated markets in Virudhunagar district 106
4.2 Growth of regulated markets in Virudhunagar district 107
4.3 Market fee collected – (selected crops) 109
4.4 Number of licences issued in regulated markets in Virudhunagar district 112
4.5 Income from licence fee, market fee and other fees 114
4.6 Expenditure pattern of the regulated markets 117
4.7 Trend, growth and co-efficient of variation of expenditure and receipts of regulated markets 119
5.1 Area, Production and Yield of paddy 121
5.2 Area, Production and Yield of chilli 122
5.3 Area, Production and Yield of cotton 124
5.4 Trend in area of major crops between 2000-01 and 2009-10 126
5.5 Trend in production of major crops between 2000-01 and 2009-10 127
5.6 Trend in yield of major crops between 2000-01 and 2009-10 128
5.7 Cost and return for paddy cultivation (per acre) 132
5.8 Cost and return for chilli cultivation (per acre) 135
5.9 Cost and return for cotton cultivation (per acre) 137
5.10 Marketable surplus and market arrivals in the regulated markets 142
5.11 Price ratio between regulated market and open market 144

TABLE No. | TITLE                                                                 | PAGE No. |
----------|----------------------------------------------------------------------|----------|
5.7       | Cost and return for paddy cultivation (per acre)                   | 132      |
5.8       | Cost and return for chilli cultivation (per acre)                 | 135      |
5.9       | Cost and return for cotton cultivation (per acre)                 | 137      |
5.10      | Marketable surplus and market arrivals in the regulated markets    | 142      |
5.11      | Price ratio between regulated market and open market               | 144      |
5.12  Determination of market arrivals of paddy, chilli and cotton for the period 2000-01 to 2009-10  146
6.1  Proportion of crops dealt through the regulated markets 2009-2010  150
6.2  Storage facilities in the sample markets  152
6.3  Quantity of arrivals of crops during 2009-2010  153
6.4  Fee income of regulated markets during 2009-2010  155
6.5  Price - relative to open market prices  157
6.6  Comparative cost of marketing between regulated markets and open markets  159
6.7  Educational background of sample farmers  161
6.8  Size of land-holding of the sample farmers  162
6.9  Distribution of sample farmers among notified crops  164
6.10  Distribution of land under cultivation of notified crops  165
6.11  Nature of disposal of paddy  168
