Many people have helped make this thesis possible. First, I would like to express my sincere and deepest gratitude to my supervisor Dr. Pato Kumari, for her patient, untiring and invaluable guidance throughout my research work and providing supports needed for successful completion of this research. Without her constant and heartfelt assistance, this research would be impossible. I am indebted to Dr. Vikash Sharma, Scientist ‘D’, Institute for Systems Studies and Analyses, DRDO, Delhi, for his constant help and encouragement.

It is my great pleasure to acknowledge my gratitude to our Vice-Chancellor Prof. S. C. Saxena, Prof. Krishna Gopal (Dean A & R), Prof. Padam Kumar (Dean RID), Mr. Raju Sangal (Registrar), Prof. Alka Tripathi, HOD, Department of Mathematics, JIIT, Noida for their constant support and infrastructural facilities provided for my research work at JIIT. I would like to thank my teachers in DPMC, Prof. S. P. Purohit (PMSE), Prof. Amrish Aggarwal and Dr. Sanjeev Sharma, for their insightful comments and encouragement. Their valuable feedbacks and enthusiastic questions gave me a better insight into the quality of present research work.

I thankfully acknowledge Jaypee Institute of Information Technology, Noida for providing me research assistantship during my Ph.D. work. My grateful acknowledgement extends to my JIIT friends for their countless hours of discussion and sharing of their ideas and experience.

My deepest sense of gratitude goes to my beloved parents, my brother, my sister and parents-in-law for their constant encouragement and moral support during my research work. I owe my heart-felt gratitude to my dearest husband, Mr. Vinay Modi and my lovely son Nishchal Modi who had to undergo lot of inconveniences at times, though unavoidable, because of my involvement in research. They were always there for me every moment through their encouragement, love, motivation and patience towards my studies. Finally, I would like to express my deep sense of gratitude to everyone who, directly or indirectly helped me in achieving my research objectives.
