

## **ACKNOWLEDGEMENT**

I must sincerely acknowledge that this research work would not have been possible without kind and active guidance from my respected Ph.D. Guide Dr. R. G. Bhuva, Principal, Saurashtra Gyanpith Arts & Commerce College, Barvala, Junagadh. I have no words to thank him for all the valuable and precious time he has spared for helping me to carry out this work. At this juncture, I express my sincere gratitude and thanks for his constant inspiration and motivation at every stage of research.

I am also thankful to Dr. D. C. Gohil, Head, Department of Commerce and Business Administration, Saurashtra University, for her valuable suggestions and co-operation at all level. I am also thankful to all teaching and non teaching staff of Department of Commerce and Business Administration, Saurashtra University for their co-operation and ever ready helps.

I Can't dream about this thesis without the strong support and co-operation of my loving wife Arti Malavia I am very thankful to her, because she is the root of this inspiration so, I am really gracefull to her for giving me fruitful suggestions and encouragement to me, She is the soul of inspiration to purse this research work.

I Express my sincere thanks to Dhandhukia Sir the Principal of my School Shree Gordhandas Majithiya Primary School no.60 Rajkot and all my staff members for their precious suggestions and moral support given to me.

I am really thankful to Mr. Ranjitbhai Chawada for their sincere support for this research work.

As a layman I firmly believe that my journey of Ph.D. Degree began with the blessings of my parents and ended up with the grace of God.

Further I can not forget the co-operation and motivation from all my family members, friends and relatives.

Thanks,
