

ACKNOWLEDGEMENT

With full sincerity, I wish to put on record my deep gratitude and indebtedness to Dr. Vikas Sinha, Professor and Dean , Government Medical College, Bhavnagar, who permitted me to work under his guidance. I take this opportunity to convey my deepest regard to him for his valuable advice, comfort encouragement, keen interest, constructive criticism, scholarly guidance & wholehearted support. Sir, it was indeed a pleasurable learning experience to work under your competent guidance. Thanks for giving a complete shape to my thesis.

I express my sincere and profound gratitude to Dr. Santosh for helping me and guiding me in statistical analysis.

I express my special thanks to my colleague and friend Dr. Sachin Gupta & Dr. Rohit Gupta for their constant encouragement, valuable advice, suggestion and for providing the required moral support during the work.

I express my sincere thanks to all my colleagues, seniors, juniors of Acharya Shri Chandra College of Medical Sciences & Hospital who encouraged me and helped me during my thesis.

I express my deep obligation to all my subjects for their participation in the current research.

My heartfelt thanks to Krishna, Abhay, Chandarkant, Sonal & Noorain for their timely help and suggestions.

Papa, Bhaiya, Bhabhi, my loving Wife and dear Vihaan have always been a source of immense pride, as you're someone who fill each day of my life with love that encourages me to reach closer to my dreams, make my success sweeter & my losses easier to accept. Thanks for everything

*Above all, I thank **Almighty** for the entire blessings he has bestowed upon me.*

Last but not the least I express my sincere gratitude to my friends and all those who have contributed directly or indirectly through suggestions, thoughts, support and presence. They have remained a source of encouragement and inspiration for me throughout my work
