ACKNOWLEDGEMENT

First of all my heartfelt salutation to the Allah, who bestowed upon me the strength and zeal as a result of which this arduous task has been completed. I have no words to express my heartfelt gratitude to my friends and family without whom I would never have been able to reach this far.

Sometimes our light goes out but is blew to flame by another human being. I owe deepest thanks to those who have rekindled this light.

I am highly grateful and offer my sincere thanks to the Hon'ble Vice Chancellor of SHIATS, Allahabad The Most. Rev.Prof. Rajendra B. Lal for giving me the opportunity to pursue this study and extending all possible help and wisdom.

It gives me immense pleasure to express my deep sense of gratitude and sincere thanks to Prof. (Dr.) V. M. Prasad, Head, Dept. of Horticulture, SHIATS, Allahabad as my thesis advisor, for his prudent admonitions, strong commitment, ken and sustained interest during the present investigation and preparation of this manuscript. He has not only been fathomless ocean of knowledge and wisdom to me but most of all his handful of blessings has been my pillar of strength and courage to go on in the most bitter of circumstances in my head bows before none but at him and my eyes dampen as words of thanks pen on this paper. My future may not give anything more; it has given me the opportunity to study under this great Teacher, “Thank you Sir”

With sincere gratefulness I wish to express my indebtedness and profound thanks to my co-advisor Dr. Vijay Bahadur, Associate. Professor, Dept. of Horticulture, SHIATS, Allahabad who through his constant advise and constructive criticism
nourished my interest in the subject and provided a free and pleasant atmosphere to work against all odd situations.

It is also my privilege to extend heartfelt thanks and indebtedness to my member Prof. (Dr.) Wilson Kispotta, Director Extension SHIATS, Allahabad and member of my advisory committee for his affectionate help and moral support in numerous way.

It is also my privilege to extend heartfelt thanks and indebtedness to member Prof. Dr. B.R. Shakya, Department of Food Processing & Engineering, SFIATS, Allahabad and member of my advisory committee for his affectionate help and moral support in numerous ways.

I am highly grateful to my chairman Prof. Dr. Pramod W. Ramteke, Head Department of Biological Sciences, SFIATS Allahabad.

I express my sincerest thanks to Dr. Devi Singh, Mr. Balaji, Mr. Nitin Sonkara for spending his valuable time to give suggestion.

I offer my sincere thanks to my closest friend Hasan, Rada, Vijay Yeshu Das, Rajneesh Srivastava and all my friends.

I am also thankful to Mr. Mujeeb cyber to complete typing and formatting of my thesis.

I offer my sincere thanks to my father, mother, my wife and all my family and relatives who help me in completion of this research.
