ACKNOWLEDGEMENTS

At the outset I am highly indebted and grateful to Dr. K. John Paul, my guide and research supervisor, who has suggested the research topic and supported throughout the duration. I thank him profusely for his constant and unstinted encouragement in completion of the research work. Had he not legged-up, the research would not have come to light. He is a god given gift to me.

I am also thankful to Dr. K.B. Mahalakshmi, Head, and Department of Geology for his copious cooperation while pursuing research. I have received great fillip from him and that made me complete the task of this research with verve and vigour.

My special thanks to Dr. P. Sankara Pichaiah who has always been amiable and amicable throughout the research period and proffered sumptuous suggestions and enormous encouragement.

I am thankful Dr. P.V. Nageswara Rao who helped me on various stages of the work at appropriate time.

I may utterly fail if I don’t thank profoundly Prof. V. Ranga Rao, former Professor and Head, Department of Geology who advised me on various instances which paved the way for succeeding in carrying out the research.

I specially mentioned Prof. K. Kesava Raju, Prof. A.S. Sudheer, Dept. of Geology and Prof. S. Sreenivasulu, Dept. of Geography, Sri Venkateswara University, Tirupati. I thank them wholeheartedly for their encouragement and needy help whenever I visited Tirupati and approached them regarding the research work.

I sincerely thank Dr. G. Suneel Babu, Asst. Geologist, Dept of Mines and Geology, Sri K. Vijay Kumar and Sri D. Vandanam Asst. Hydrogeologist, Sri S. Srinivas, Asst. Engineer, A.P. State Ground Water Department, Guntur and also
Sri. A. Hans Raj in the same organization have helped me immensely and dissipated my doubts on various aspects of research area.

Dr. M. Suresh, GIS analyst has helped me immensely in drawing thematic maps with the help of Remote Sensing and GIS.

Sri G. Sudarshan, Sri G.Y. Setty, Sri Dwarakanath and V. Subba Rao Scientists, CGWB, Southern Region Hyderabad who have extended their helping hand and pertinent suggestions.

My special thanks are due to District Officials, Guntur for providing meteorological data and also thank to Directorate of Economics and Statistical Department, Government of Aandhra Pradesh, Hyderabad.

I deeply express my gratitude to my colleagues and friends especially Sri B.Rajendra Babu, Research Scholar, Environmental Sciences, Sri G. Babu Rao, Research Scholar, Department of Geology, for their timely help and yeoman service.

I vow a lot to my parents who have advised and allowed for pursuing research and encouraged throughout the duration, without whose constant help and encouragement I would not have completed the research. Last but not least, I wholeheartedly express deep sense of gorgeous gratitude to the members of my family for their everlasting encouragement and affection.

SARATH BABU, P.
