Acknowledgement
ACKNOWLEDGEMENT

The willingness of the many subject experts and erudite scholars to extend their support and help in the completion of a work plays, indeed a vitally important role. There are several individuals without whose help and expertise, the completion of my thesis would not have been possible.

LORD ALMIGHTY: Your choicest blessings and divine grace have only helped in achieving this endeavour.

Dr. T.K. SHANMUGANANDHAM B.A., B.L., Chancellor, Avinashilingam University for Women, Coimbatore:

My deep sense of reverential gratitude is to you Sir, for providing the facilities to conduct this study.

Dr. K. KULANDAIVEL M.A., M.A. (Ohio State), Ph.D., Former Chancellor, Avinashilingam University for Women, Coimbatore:

My deep sense of reverential gratitude is to you Sir, for providing the facilities to conduct this study.

Dr. SAROJA PRABHAKARAN, M.A., Dip. Ed., Ph.D., Vice Chancellor, Avinashilingam University for Women, Coimbatore:

My humble gratitude and pranams are due to you Madam for the provision of a conducive and congenial ambience for the execution of this research work.

Dr. GOWRI RAMAKRISHNAN, M.Sc., M.Phil., Ph.D., Avinashilingam University for Women, Coimbatore:

My thanks are due to you Madam for the facilities provided in carrying out this research work.

PROF. S SIVAKAMASUNDARI M.Sc., M.Phil., Ph.D., Former Dean, Faculty of Science and Former Head, Department of Chemistry, Avinashilingam University for Women, Coimbatore:

Many thanks to you Madam for your professional insight, your valuable guidance and the countless fruitful discussions. I earnestly thank you for your inspiring guidance, constant encouragement, critical suggestions and personal care throughout in the accomplishment of this work. Your assistance and motivation provided me a great morale boosting to complete my work. Your indispensable advice and expert guidance throughout the work was a source of brainwave and information. I am especially grateful to you madam for your continuous interest and tireless encouragement at all stages of this
work. You have a wonderful and inspiring way of sharing your excellent knowledge of organic chemistry. I am also grateful to you for correcting and improving the thesis.

You have been silently inspiring me with your desire for knowledge. The long list of degrees you hold have always been my dream.

Dr.R.PARVATHAM M.Sc., Dip.Ed., M.Phil., Ph.D., Dean, Faculty of Science, Avinashilingam University for Women, Coimbatore:

My sincere thanks to you madam for the support rendered to complete my work.

Dr. R SHYAMALA M.Sc, M.Phil., Dip.Ed., Ph.D: Prof. and Head, Department of Chemistry, Avinashilingam University for Women, Coimbatore.

Your moral support and encouragement was essential for my research. I earnestly thank you for your suggestions in improving parts of my thesis.

PROF. P SHANMUGAM., Retd. Prof., Bharathiar University:

Your generous support with the experimental stages of my thesis as well as your organic chemistry expertise was crucial to my success.

PROF. MICHEL NOEL, Scientist, Fluorine Electrochemistry Department, CECRI, Karaikudi:

Your guidance in cyclic voltammetry was extremely important in taking the first step. My deepest gratitude to you sir, for the valuable advice and encouragement given in pursuing this work. Your ideas and advice have been most valuable to me.

Dr. PRABHAVATHI NAGARAJAN, M.Sc., M.Phil, Ph.D., Reader in Chemistry, Bishop Heber College, Thiruchirapalli:

Your valuable suggestions have helped me to fruitfully accomplish this task.

Dr. K.S. SHUBASHINI:

My immense thanks are to you, for the timely help rendered to carry out the work. I owe you a lot for the unwavering assistance in abundance. I thank you madam for the encouragement, exceptional ideas, and tireless optimism that have kept me going. Madam you deserve genial thanks for support and warm discussions since the days of my B.Sc studies. You were professionally and personally supportive. I also thank you for proof reading and improving the thesis or parts of it.

MRS. S.BHANUMATHY AND MS.S.HEMA:

Many thanks to you teachers, for your constant encouragement. I am short of words to express my thanks for the help rendered by you in taking me to Trichy for my reference work and for the hospitality you rendered there.
DR. SAROJINI SUKUMAR AND DR. K.S.SHANTHI:

I am especially grateful to you teachers for the fruitful guidance and help rendered during the course of the biological activity tests.

Mrs. K. RANI:

I thank you for your hospitality at Trichy.

STAFF MEMBERS, Department of Chemistry, Avinashilingam University for Women, Coimbatore:

My thanks to you teachers for the benevolence showered on me during the course of my study.

RESEARCH SCHOLARS:

My thanks are due to you for your valuable contributions. You deserve warm thanks for all the support given during my work. I also owe special recognition to Ms. P. Subapriya and Ms. V. Narmadadevi who provided assistance in the lab.

MY PARENTS Mrs. P. Jayalakshmi and Thiru N. Ramadas:

Your encouragement and support has helped me achieve this task.

MY HUSBAND Thiru K. Jayakrishnan:

Your moral support, patience and encouragement have helped me in good and bad times of my work period. I thank you for your true love and flexibility during these years of intense work.

BABY MAYA:

I should definitely thank you for being patient with me when I gave you less attention.

MY PARENTS – IN – LAW Thiru C. Muralidaran and Mrs. V. K. Madhavi:

I warmly acknowledge your long and short distance support.

I also thank all the other kind souls who helped me in the completion of this thesis.
