ACKNOWLEDGEMENT

My debts are many, but I count them with respect and pleasure. During my days of studentship for working for this degree I have taken appropriate help from many appropriate individuals and sources without whose help I would not have completed this work hence I whole heartedly pay tribute to all of them.

Words fail to express the depth of my gratitude to my research Guide Dr. S R Keshava Associate Professor, Dept. of Economics, Bangalore University, and Bangalore, though simple and modest is a trainer, par excellence and his inspirational guidance showed the light to my work without which the work would not have been accomplished. He has helped in all possible human ways, spent his precious hours, many a days, up to day and night, guiding and solving my research problem.

I also express my sincere thanks to Prof. N. Rangaswamy, Chairman, Dept. of Economics, Bangalore University, and Prof. K.K. Seethamma, Registrar, Bangalore University Bangalore, Dr. R.G. Desai, Professor and Former Chairman, and Prof. M. Ramanjaneyulu, and other staff members of the faculty of Economics Department, Bangalore University, Bangalore.

I also acknowledge my special thanks to N. Rathana Shanthappa, H.M. Keshavalatha Madam, Bharathakanda Keshava, Kushi Keshava.
I am thankful to Vinayak P Gangolli Associate Professor, and my friends M Lokesh, Nagendraiah, K.N Srinivasa, Ningaraju for helping me at different stages of completing my research work.
