CONTENTS

Preface  i-iii

CHAPTER I :  INTRODUCTION  1-20
1. CONCEPT OF ENVIRONMENTAL PROTECTION

2. ENVIRONMENTAL DEGRADATION: NATURE AND DIMENSIONS

3. INDIA'S CONCERN FOR ENVIRONMENTAL PROTECTION

4. FRAMEWORK OF STUDY

CHAPTER II : CAUSES, SOURCES, AND EFFECTS OF ENVIRONMENTAL POLLUTION AND SOME RELATED ASPECTS: AN OVERVIEW  21-153

1. INTRODUCTION

2. MAIN CAUSES OF ENVIRONMENTAL POLLUTION:
   A. POPULATION GROWTH
   B. INCREASED GENERAL AFFLUENCE AND ECONOMIC GROWTH
   C. NATURE OF MODERN TECHNOLOGY

3. SOURCES AND EFFECTS OF POLLUTION:
   A. WATER POLLUTION
      (a) Concept of Water Pollution
      (b) Sources of Water Pollution
         (i) Domestic and Commercial Wastes
         (ii) Industrial Wastes
         (iii) Floating and colouring wastes
(iv) Suspended matters
(v) Chemical substances
(vi) Thermal wastes
(vii) Radioactive substances
(viii) Agricultural wastes
(ix) Solid Mine Refuge and storage on Land
(x) Air pollutants
(xi) Some other causes

c) Pollutional Effects

(i) Effects on Public Health and Safety
(ii) Effects on Aquatic and Marine life
(iii) Effects on Plants and Animal Life
(iv) Effects on Land and Property
(v) Social and Economic Effects
(vi) Other Effects

d) Extent of the Problem in India

B. AIR POLLUTION

(a) Concept of Air Pollution
(b) Sources of Air Pollution

(i) Combustion of Fuels to Produce Energy
(ii) Transportation
(iii) Industrial and Commercial Processes
(iv) Incineration
(v) Agricultural Activities
(vi) Miscellaneous Sources

(c) Effects of Air Pollution

(i) Effects on Climatic CONDITIONS and General Environment

(ii) Effects on Human Health and Safety

(iii) Effects on Plants and Animals

(iv) Socio-economic Effects

(v) Other Effects

(d) Extent of the Problem in India

(C) NOISE POLLUTION

(a) Concept of Noise Pollution

(b) Sources of Noise Pollution

1. Industrial

2. Non Industrial

   (i) Loud Speakers

   (ii) Automobiles

   (iii) Air Crafts

   (iv) Trains

   (v) Construction works

   (vi) Projection of Satellites into Space

(c) Effects of Noise Pollution

(i) Effects on Human Beings

   1. Physiological Effects
2. Psychological and Behavioural Effects

(ii) Effects on Other Living Beings

(iii) Effects on Other Living Beings

(d) Extent of the Problem in India

D. LAND POLLUTION

(a) Concept of Land Pollution

(b) Sources of Land Pollution

(i) Indiscriminate Disposal of Solid Wastes

(ii) Mining, ore Processing and Extraction of Minerals

(iii) Contamination of Land by Man made chemicals

(iv) Improper Land Use and Planning

(c) Effects of Land Pollution

(d) Extent of the Problem in India

4. CONCLUSION

CHAPTER III: ENVIRONMENTAL PROTECTION: THE POLICY 154-290 PERSPECTIVE

1. INTRODUCTION

2. ENVIRONMENTAL POLICY DURING THE PRE-INDEPENDENCE ERA

A. ENVIRONMENTAL POLICY IN ANCIENT INDIA

B. ENVIRONMENTAL POLICY IN MEDIEVAL INDIA

C. ENVIRONMENTAL POLICY IN BRITISH INDIA

(a) Forest conservation in British Rule

(b) Pollution Control in British Rule
3. ENVIRONMENTAL POLICY DURING THE POST INDEPENDENCE ERA

A. EARLIER POLICY CONCERNS
(a) Forest Development During First Three Five Year Plans
   (i) First Five Year Plan
   (ii) Second Five Year Plan
   (iii) Third Five Year Plan
(b) The National Forest Policy, 1952

B. ENVIRONMENTAL POLICY DURING THE SEVENTIES
(a) Policy Perspective in the Fourth and Fifth Five Year Plan
(b) The Stockholm Declaration on Human Environment 1972
(c) The Constitution (42nd Amendment) Act of 1976
(d) Institutional Measures taken during the Seventies
   (i) Pitambar Pant Committee on Human Environment
   (ii) National Committee on Environmental Planning and Coordination
(e) Legislative Measures taken during the Seventies

C. ENVIRONMENTAL POLICY DURING THE EIGHTIES
(a) Policy Perspective in Sixth and Seventh Five Year Plans
(b) The National Forest Policy 1988
(c) Institutional Measures taken During the Eighties
   (i) Tiwari Committee
   (ii) The Department of Environment (DOE)
(iii) National Committee on
Environmental Planning
(NCEP)

(iv) Other organisations

(d) Administrative Actions taken during
the Eighties

(i) Pollution control

(ii) Land Resource Management

(iii) Natural Living Resources

(iv) Environmental Impact
Assessment

(v) Environmental Information
System

(e) Legislative Measures taken during
the Eighties

D. ENVIRONMENTAL POLICY DURING NINETIES

(a) The Eighth Five Year Plan

(b) Policy Resolutions

(i) Policy Statement for Abatement
of Pollution, 1992

(ii) The National Conservation
Strategy and Policy Statement
on Environment and Development
1992

(c) Administrative Actions Taken During
the Nineties

(d) Legislative Actions Taken during the
Nineties

(e) Environmental Policy: A Critical
Evaluation

4. CONCLUSION
CHAPTER IV : ENVIRONMENTAL PROTECTION: THE LEGAL FRAMEWORK

1. INTRODUCTION

2. COMMON LAW ASPECTS OF ENVIRONMENTAL LAW
   A. NUISANCE
      (a) Public Nuisance
      (b) Private Nuisance
   B. TRESPASS
   C. NEGLIGENCE
   D. STRICT LIABILITY
   E. RIPARIAN RIGHTS
   F. REMEDIES
      (a) Damages
      (b) Injunction
      (c) Self Help

3. CONSTITUTIONAL ASPECTS OF ENVIRONMENTAL LAW
   A. DISTRIBUTION OF LEGISLATIVE POWERS
   B. THE CONSTITUTION. (FORTY SECOND) AMENDMENT
   C. THE DIRECTIVE PRINCIPLES OF STATE POLICY
   D. ARTICLE 253 AND THE ENVIRONMENTAL LEGISLATION
   E. FUNDAMENTAL RIGHTS VIS-A-VIS ENVIRONMENT
      (a) The Right to a Wholesome Environment
      (b) The Right to Livelihood
      (c) The Right to Equality
4. STATUTORY CONTROL OF ENVIRONMENTAL POLLUTION

A. WATER POLLUTION

(a) Statutory Right of Riparian Owner under Indian Easements Act, 1882

(b) Penal and Public Nuisance Actions Under Earlier statutes

(c) Administrative Regulation Under Recent Legislations

(i) Water (Prevention and Control of Pollution) Act, 1974

(ii) The Water Cess (Prevention and Control of Pollution) Act, 1977

(iii) The Environment (Protection) Act, 1986

B. AIR POLLUTION

(a) Statutory Control Under Earlier Statutes

(b) Administrative Regulation Under Recent Legislations

(ii) The Environment (Protection) Act, 1986

C. NOISE POLLUTION

(a) Statutory control of Noise Pollution

(i) Law of Crimes and Noise Control
(ii) Police Act, 1861 and Noise Control
(iii) Railways Act, 1890 and Noise Control
(iv) Civil Aviation Laws and Noise Control
(v) Motor Vehicles Act and Noise Control
(vi) Factories Act, 1948 and Noise Control
(vii) The Air (Prevention and Control of Pollution) Act 1981 and Noise Control
(viii) The Environment (Protection) Act 1986 and Noise Control

D. LAND POLLUTION

(a) Statutory Control of land Pollution
(i) Statutory Provisions for Regulation of Solid Wastes
(ii) Statutory Control of Industrial Wastes
(iii) Regulation of Hazardous Substances

(b) Statutory Measures for Land Use and Planning
(i) Urban land use
(ii) Rural Land Use

(c) Statutory Provisions for Prevention of Land Degradation from Mining

(d) Statutory Measures for Protection of Forests and wildlife
(i) Forests
(ii) Wildlife

5. CONCLUSION
CHAPTER V : ENVIRONMENTAL PROTECTION: THE JUDICIAL APPROACH

1. INTRODUCTION

2. PUBLIC NUISANCE; THE JUDICIAL RESPONSE

3. PUBLIC INTEREST LITIGATION AND ENVIRONMENTAL PROTECTION
   A. TRADITIONAL RULE OF LOCUS STANDI
   B. EXPANSION OF THE RULE OF LOCUS STANDI
   C. CLASS ACTION OR CITIZEN SUITS
      (a) The Emerging Profile of PIL
      (b) PIL With Reference to Environmental Protection
         (i) Delhi Gas Leak Case
         (ii) The Ganga Pollution Cases
         (iii) Dehradun Quarrying Case
         (iv) Calcutta Taj Hotel Case

4. CLASS ACTION OR REPRESENTATIVE SUITS AND JUDICIAL APPROACH
   A. THE BHOPAL CASE
      (a) Proceedings Before the District Judge, Bhopal
      (b) Proceedings Before the Madhya Pradesh High Court
      (c) Proceedings Before Supreme Court

5. NEW TRENDS IN JUDICIAL APPROACH
   A. EXPANSION OF ARTICLE-21
   B. JUDICIAL ACTIVISM
   C. PROBLEM OF MONITORING POLLUTION
   D. FREEDOM OF INFORMATION AND THE RIGHT TO KNOW
E. PUBLIC AWARENESS

6. CONCLUSION

CHAPTER VI: ENVIRONMENTAL PROTECTION LAW AND ITS IMPLEMENTATION: A CRITICAL REVIEW

1. INTRODUCTION
2. LEGAL REGIME FOR POLLUTION CONTROL
3. OPERATIONAL MECHANISM OF BOARD'S FUNCTIONING
4. PROSECUTIONS LAUNCHED AND CONVICTIONS SECURED UNDER ENVIRONMENTAL LEGISLATION
5. FAILURE OF PROSECUTORIAL STRATEGY AND REASONS THEREOF
6. SUGGESTED STRATEGIES FOR ENVIRONMENT MANAGEMENT
   A. MORE POWERS TO THE BOARD NEEDED
   B. CONSENT ADMINISTRATION
   C. ENVIRONMENTAL IMPACT ASSESSMENT
   D. PUBLIC PARTICIPATION AND ACCESS TO INFORMATION
   E. ENVIRONMENTAL COURTS
   F. DEVELOPMENT OF COMPENSATORY JURISPRUDENCE

7. CONCLUSION

CHAPTER VII: CONCLUSION, SUGGESTIONS AND FUTURE TRENDS

1. CONCLUSION
2. SUGGESTIONS
3. FUTURE TRENDS
