ACKNOWLEDGEMENTS

This thesis is the outcome of the research work and synthesis of data conducted under noble direction of Dr. P. Parameswaran Pillai, Senior Scientist, Central Marine Fisheries Research Institute, Cochin. My boundless gratitude is due to him for his invaluable guidance and supervision.

I express my deep sense of gratitude to Dr. P.S.B.R. James, Director, CMFRI, Cochin; Dr. E.G. Silas, Former Director, CMFRI, and presently the Vice-Chancellor, Kerala Agricultural University, Trichur; and Dr. W. Noble, Head of PGPM, CMFRI for granting me all facilities for this study, encouragements and help.

I am very much indebted to Dr. P.V. Ramachandran Nair, Former Joint-Director and Dr. C.P. Gopinathan, Scientist, CMFRI for their valuable suggestions and help during the study.

I pay my sincere thanks to Dr. A. Laxminarayana, Officer-in-Charge of CIBA, Cochin; Mr. M.S. Muthu, Dr. S. Kulasekara Pandian and Mr. A.R. Thirunavukarasu, Scientists, Narakkal Research Centre of CIBA; and Mr. V. Kunjukrishnan Pillai, Scientist, CMFRI and the Technical assistants Mrs. K.K. Valsala and Shri. V.K. Balachandran.

I extend my sincere gratitude to Dr. P. Vedavyasa Rao, Senior Scientist, Head, Dr. M.J. George, Former Joint-Director; CMFRI; Dr. C.T. Samuel, Department of Industrial Fisheries and Dr. N.R. Menon, School of Marine Science; CUSAT; Dr. A. Wahid, Kerala
Agricultural University, Dr. J.J. Solomon, Central Plantation Crop Research Institute ICAR, Kayamkulam and Dr. Harsh K. Gupta, Former Director, Centre for Earth Science Studies for their earnest help in connection with my research programme.

I am most obliged to Dr. M. V. Pai, Dr. V.S.K. Chenubhotla, Dr. S. Sivakami, Dr. Ammini Joseph, Dr. S. Ravikala, Mrs. Breesudha, Miss Parvathy and Mrs. Thressyamma James with whom I had enlightning discussions.

My sincere thanks are due to Mr. M. Karthikeyan, Mr. M. Srinath and Mr. K. Narayana Kurup, Miss. P. Prathibha, Scientists, CMFRI for their help in the statistical analysis.

I also cherish fond feeling of gratitude to my fellow research scholar Mr. A. Sait Sahul Hameed, Mr. K.K. Joshi, Mr. A. Gopalakrishnan, Mr. Joselet Mathew, Mr. S. Vijayakumar and Mr. M.S. Muralidharan. Thanks are also due to the all Staff members of PGPM, CMFRI, Cochin.

I would like to place on record my sincere thanks to Dr. Hallegraff, CSIRO Marine Laboratories, Habort, Australia for the Electromicrographs and reprints and the Library Division of CSIRO and UNESCO.

I owe a lot to UNDP/FAO/ICAR for awarding me the Senior Research Fellow for pursuing this work.

I acknowledge thanks to the firm Coastal Impex for processing in Computer and the processor Shri. N.G. Mani and the
Typists Miss. K.G. Isha and Mrs. Saudamani and Shri. V.N. Mohanan, Technical Officer, NIO for his drawing neatly.

Last but not the least I am thankful to the authors and publishers whose books, Journals and articles were used for the preparation of this thesis and the Governmental agencies such as MPEDA, NIO and Kerala State Fisheries for providing me with knowledge on the subject.
