ACKNOWLEDGEMENT

This work reported in this Thesis concentrates on investigating the “Need Assessment for Environmental Education in Pre-service and In-service Education Programmes of DIETs in Himachal Pradesh.” The items of the work reported here have been carried out under the guidance of Dr. P.L. Gupta Reader, ICDEOL H.P. University Shimla-5.

It has been a great pleasure and privilege for the investigator to conduct the present arduous, precious and challenging research under the supervision of Dr. P.L. Gupta Reader, ICDEOL H.P. University Shimla-5. The investigator takes this opportunity to express her sincere and deep sense of gratitude to the supervisor for his excellent spirit, suggestions and constant encouragement along with his kind and sympathetic attitude and efficient guidance from the beginning to the completion of this research. No explicit statement can be adequate for expressing the investigator’s deep indebtedness to learned supervisor.

I wish to make a sincere acknowledgement from the innermost recesses of my heart that I am highly beholden to Prof. B.P. Verma, Chairman Deptt. of Education H.P. University Shimla-5.

I express my heartiest veneration and gratitude to Dr. Satish Bhadwal, Dean of Education, Dr. Harbans Rana Reader and Dr. Romesh Chand, Reader, H.P. University Shimla-5 for their kind help, expert guidance and valuable suggestions through out the duration of my studies.
Language seems to be inadequate media to express my sincere feelings toward Dr. (Mrs.) Kusum Gupta, DIET Shimla whose ever caring nature, pains taking efforts and moral boost at the time of difficulties helps me to achieve my objectives in time.

I shall be failing in my duty if I do not acknowledge my gratitude and esteemed feelings to my husband Dr. H.S. Kanwar, loving daughter Ritika and dear son Jaideep who not only rendered invaluable help but also have been constant source of inspiration and encouragement at the cost of their comforts.

I owe my success to my dear Mother, Respected Father, Sister Rajeshwari, Brothers and venerable father-in-law Mr. Baldev Singh Kanwar who always inspired me to complete this work.

The investigator is deeply grateful to the faculty of DIETs Solan, Shimla, Nahan, Kinnaur, Chamba and Dharamshala who rendered immense help in collecting the data.

I am deeply grateful to my colleagues who have motivated me to sustain efforts and accelerated me to complete the research work.

Last but not the least I express my special thanks to Mr. Akash Gupta who have been a great help in giving the final shape to this project work by typing the thesis more accurately with efficiency and meticulously.
