Preface

Chapter - I	Introduction and Review of literature	1
Chapter - II	Experimental procedures	70
Chapter - III	Ultrasonic studies in aqueous solutions of amino acids	84
Chapter - IV	Ultrasonic velocity and absorption studies in aqueous solutions of sodium taurocholate	101
Chapter - V	Ultrasonic velocity and absorption studies in aqueous electrolytes	118
Chapter - VI	Ultrasonic velocity studies in some carboxylic acids in tetrahydrofuran	141
Chapter - VII	Summary and conclusions	157
Appendix - I		
Appendix - II
