ACKNOWLEDGEMENTS

It is a great opportunity for me at this point of time in my life to thank all those who have been of great help and source of inspiration throughout my work. My heartiest thanks are for the Almighty who gave me the strength to go ahead in my task, His benevolence and blessings.

My deep sense of gratitude lies for my supervisor Professor D.D. Sharma, Department of Geography, Himachal Pradesh University. Even through all his busy work schedules and assignments, he always spared time to advise me and correct my mistakes. Sir, has been a great source of inspiration throughout my look and that completed my work under his supervision is itself a privilege that very few would get. A through pious person in his life, he provided me with constant untiring support, expert guidance and overall the enrichment that he gave to my work is worth mentioning. My frequent interactions with him have helped me prove better every time and I shall remain forever indebted to him for his ever extending guidance and support.

I would also like to thank the faculty of Department of Geography for their untiring support.

My sincere thanks are also due for the staff of geography department who have helped me throughout my work.

I also thank the officials of the Town and Country Planning office Dharamshala, Department of Home, Central Tibetan Administration, Department of Tourism and Department of Tibetan Welfare, McLeod Ganj, Dharamshala.

I am also indebted to my parents who have helped me sail through all the difficult moments with ease and always giving an extended helping hand of
care and comparison. Thanks are also due to my sister Charu Sharma who has helped me to remain focused on my work.

It will be too formal to thank my husband Vikas Sharma who has been with me helping me day and night, running pillar to post to get my work completed well in time. He remained a pillar of strength throughout my work. It was with his loving concern that I remained patient and could go through all the hurdles easily.

Last but not the least a work of appreciation and thanks to all the respondents whose names are priceless to be mentioned and without whose cooperation and information this work would not have been possible.
