

## Contents

1 **Introduction**

1.1 Higher Education .................................................. 1
1.2 Concept of Higher Education ...................................... 4
1.2.1 Functions of Higher Education ................................. 7
1.3 Higher Education in India: Post-Independence Era .............. 8
1.3.1 University Grants Commission ................................. 11
1.4 Expansion of Higher Education in India ......................... 12
1.4.1 Infrastructure ..................................................... 12
1.4.2 Student’s Enrollment .............................................. 16
1.4.3 Teaching faculty strength ....................................... 23
1.5 Promotion of Excellence and Equity in Higher Education ....... 24
1.6 Higher Education in Himachal Pradesh .......................... 27
1.7 Significance of the study ........................................... 28
1.8 Statement of the problem .......................................... 32
1.9 Operational Definitions of the Key Terms ........................ 32
1.10 Objectives of the study ........................................... 33
1.11 Delimitations of the study ........................................ 34

2 **Review of Related Literature** ...................................... 35
2.1 Introduction .......................................................... 35
2.2 Studies Related to Higher Education .............................. 37

3 **Method and Procedure** ............................................... 47
3.1 Design of the study ................................................. 47
3.2 Sample of the study ................................................ 49
3.3 Research Tools ....................................................... 55
3.3.1 Reliability .......................................................... 57
3.3.2 Validity .............................................................. 59
3.4 Data Collection ....................................................... 60
3.5 Scoring of Data ....................................................... 60
3.6 Statistical Techniques ............................................... 61

4 Inter-District Disparity of Higher Education in Himachal Pradesh .......................... 63
4.1 The state of Himachal Pradesh .................................... 63
4.2 Development of Higher Education in Himachal Pradesh ................................. 67
  4.2.1 Universities and University Level Institutes ........................................ 67
  4.2.2 Higher Education Indicators: Institutes and Enrolment ......................... 71
  4.2.3 Growth in Higher Education Institutes and Enrolment .......................... 72
4.3 Disparity of Higher Education in Himachal Pradesh ..................................... 76
4.4 Discussion on Inter-District Disparities ................................................. 89
4.5 Plausible Explanations ............................................................................. 90
4.6 Problems of Higher Education in Himachal Pradesh ................................... 90
  4.6.1 Privatization of Higher Education .................................................... 91
  4.6.2 Quality of Education .......................................................................... 92
  4.6.3 Contractual Appointments of Teachers ............................................... 92
  4.6.4 Financial Constraints .......................................................................... 93
  4.6.5 Infrastructure and New Colleges ....................................................... 93
  4.6.6 Modernization of Education System .................................................. 94
  4.6.7 Research ............................................................................................ 94
  4.6.8 Examination system ............................................................................. 94
  4.6.9 Curriculum ......................................................................................... 95

5 Analysis, Interpretation and Discussion of the Results ........................................... 97
5.1 Opinions of Students Regarding the Higher Education System in Himachal Pradesh 98
  5.1.1 Planning/Administration ................................................................. 98
  5.1.2 Infrastructural Facilities .................................................................... 103
  5.1.3 Examinations ..................................................................................... 106
  5.1.4 Courses of Study ............................................................................... 108
  5.1.5 Students’ Issues ................................................................................. 111
  5.1.6 Co-Curricular Activities .................................................................... 114
5.2 Opinions of College/University Teachers Regarding the Higher Education System in Himachal Pradesh ................................................................. 117
  5.2.1 Planning/Administration .................................................................... 117
  5.2.2 Infrastructural Facilities .................................................................... 122
6 Summary, Conclusions, Educational Implications and Suggestions for Further Research
