ACKNOWLEDGEMENTS

One of the joys of completion is to look over the journey past and remember everyone who have helped and supported me along this long but fulfilling road.

Firstly, with deep sense of respect and gratitude, I would like to acknowledge the support and guidance of my supervisors Dr. Debasis Pattanayak, Senior Scientist, Division of Crop Improvement, Central Potato Research Institute, Shimla-1, and Dr. Reena Gupta, Professor, Department of Biotechnology, Himachal Pradesh University, Shimla-5, who have constantly been the source of inspiration and encouragement. Their able guidance infused in me the spirit to analyze and tackle the scientific problems encountered during research work. I respect them from the core of my heart and wish that their blessings will be always with me, wherever I may be.

I express my heartfelt thanks to Dr. S.K. Pandey, former Director, Central Potato Research Institute, Shimla and to Dr. B.P. Singh, present Director, CPRJ Shimla for providing me an opportunity to work in most advanced molecular biology labs.

I am thankful to Chairperson and all the faculty members, Department of Biotechnology, Himachal Pradesh University, for their timely help and encouragement during the present investigations.

I am also thankful to Department of Biotechnology, Delhi, India, for providing necessary funds for the research work.

I also express my thanks to Dr. Jai Gopal Head, Division of Crop Improvement, CPRJ Shimla, for his encouragement during tenure of my work. I extend my heartfelt thanks to Dr. S.K. Chakrabarti, Head, Division of Plant Protection, CPRJ, Shimla, for their unconditional support during the tenure of my work.

The support from the office staff—Mr. Chandermohan Bist, Mr. Naresh, Mr Suresh, Mr. Avasthi and Mr. Harikrishan Verma is deeply acknowledged.

In this long duration I had a very good interaction with my seniors/juniors and without naming them I would like to acknowledge their help and support. I am especially thankful to my seniors and labmates; Suhasini Huddone, Anjali Chamail, Ashwin Verma, Suman Sanju, Aditi Thakur, Reena Sharma, Deep Kumar, Nitya Nand Sharma and Smriti Priya for their cooperation and timely help.

A very special thanks to my husband for his support and care especially during thesis writing.
The love and support of my parents and family members was a strong driving force that enabled me to successfully complete my research work.

Finally, I thank the God, whose blessings have enabled me to accomplish my research work successfully.
