ACKNOWLEDGEMENT

It is my extreme proud privilege to express my deep sense of gratitude to Dr. A.K. Sahu, National fellow and Principal scientist, Central Institute of Freshwater Aquaculture, Kaushalyaganga, Bhubaneswar for his gracious guidance, consistent support and constant encouragement throughout the period of investigation and the manuscript preparation.

I express my gratitude to Dr. B.N. Singh, Ex- DDG (Fisheries), Indian Council of Agricultural Research, New Delhi who inspired me and gave valuable suggestions for conducting this investigation. I feel deeply obliged to Dr. S. Ayyappan DDG (Fisheries), Indian Council of Agricultural Research, New Delhi who not only encouraged me but also showed interest in my work. I also feel deep gratitude to Dr. P.K. Mukhopadhyay, Principal scientist, Central Institute of Freshwater Aquaculture, Kaushalyaganga for his ceaseless encouragement, constant support and valuable suggestions during the period of investigation.

My sincere thanks to Dr. B.C. Mohapatra, Scientist, Central Institute of Freshwater Aquaculture, Kaushalyaganga for his magnanimous support and precious help during the completion of the thesis. I extend my equal sense of gratitude to Dr. Kuldip Kumar, Senior Scientist, Central Institute of Freshwater Aquaculture, Kaushalyaganga who had helped me unconditionally during the period of investigation. I also express my gratitude and indebtedness to Dr. Sangram Ketan Sahu, Scientist, Central
Institute of Freshwater Aquaculture, Kaushalyaganga, for his genuine and generous help and priceless suggestions.

I acknowledge with due regards to Dr. Priyabrata Swain Scientist (Sr. Scale), Central Institute of Freshwater Aquaculture, Kaushalyaganga for his genuine goodwill and valuable suggestions and relentless support for performing the immunological studies.

I am obliged to Dr. P. K. Sahu Scientist (Sr. Scale), Dr. A. K. Pandey Senior Scientist, Dr. S. N. Mohanty Principal Scientist, Dr. Mrinal Samanta, Scientist and Dr. A. K. Barat, Technical Officer, Central Institute of Freshwater Aquaculture, Kaushalyaganga for their goodwill, timely help and encouragement. I am obliged to Dr. P. K. Meher, Scientist, Central Institute of Freshwater Aquaculture, Kaushalyaganga, for statistical analysis.
