

# Acknowledgements

The author acknowledges his deep sense of gratitude and profound thanks to DR. (Mrs) Subasini Lenka, Ph.D., D.Sc., Department of Chemistry, Ravenshaw College, Cuttack for her guidance, inspiration and constant help throughout the course of present investigation. This work is an exploitation of her consummation in the field of "Polymer Science".

The author is grateful to DR. P.L. Nayak, Ph.D., D.Sc., Department of Chemistry, Ravenshaw College, Cuttack for his helpful comments and valuable suggestions and for the keen interest he has taken during the preparation of the thesis.

The author is grateful to Professor U.K. Mohapatra, Principal, Ravenshaw College, Cuttack and Professor C.N. Nanda, Head of Chemistry Department, Ravenshaw College, Cuttack for providing laboratory and library facilities. The author is also grateful to Council of Scientific and Industrial Research, New Delhi for providing a junior research fellowship to the author during the present investigation.
