CHAPTER – I

INTRODUCTION

1.1 Objectives
1.2 Hypotheses
1.3 Database and Methodology
    1.3.1 Database
        The Unit of Analysis
        Analytical Method
        Selection of Indicators
    1.3.2 Methodology
        Factor Analysis
        Nature of the Analysis
1.4 Review of Available Literature
1.5 Organization of the Study

CHAPTER – II

CONCEPTUAL FRAMEWORK

2.1 Meaning of Education
2.2 Concept of Education
    2.2.1 Indian Educational Concept
    2.2.2 Western Educational Concept
2.3 Aim of Education
2.4 Importance and Functions of Education
2.5 Education and Relative Changes
    2.5.1 Education and Economic Changes
    2.5.2 Education and social changes
    2.5.3 Education and human resources development
    2.5.4 Education and other components
2.6 Educational Agencies
2.7 Education Level

CHAPTER – III
SOCIO – ECONOMIC PROFILE OF THE STUDY AREA

3.1 Physical Setting
   3.1.1 Location

   3.1.2 Administrative Unit
   3.1.3 Relief
   3.1.4 Physiographic Regions
   3.1.5 Climate
   3.1.6 Drainage
   3.1.7 Soils
   3.1.8 Natural Vegetation

3.2 Cultural Setting
   3.2.1 Population Distribution
   3.2.2 Density of Population
   3.2.3 Decadal Growth Rate of Population
   3.2.4 Sex Ratio
   3.2.5 Religion
   3.2.6 Literacy Rate
   3.2.7 Educational Level
   3.2.8 Industrial Economy
   3.2.9 Employment
   3.2.10 Occupational Composition
   3.2.11 Agricultural Economy
   3.2.12 Land use
   3.2.13 Cropping Pattern
   3.2.14 Cropping Intensity
   3.2.15 Livestock
   3.2.16 Rural Markets
   3.2.17 Transportation and Communication

CHAPTER – IV
STATUS OF EDUCATION (2000-2001)

4.1 Factor Structure
4.2 Factor I: Literacy Rate and Concentration of Institutions
4.3 Factor II: Teacher Student Ratio and Area Spread of the Institutions
4.4 Composite Status of Education

CHAPTER - V
CHAPTER – VI
EDUCATION AND SOCIO-ECONOMIC DEVELOPMENT

6.1 Status of Education
6.2 Spatial Pattern of Educational Status and Relative Changes (2000-2001 to 2006-2007)
6.3 Relationship between Status of Education and Level of Socio-Economic Development (2000-2001)
6.4 Level of Socio-Economic Development
6.6 Relationship between Status of Education and Level of Socio-Economic Development (2006-2007)
6.7 Status of Education vis-à-vis Level of Socio-Economic Development (2000-2001)
6.8 Status of Education vis-à-vis Level of Socio-Economic Development (2006-2007)

CHAPTER – VII
EDUCATIONAL PROFILE OF THE SAMPLED VILLAGES

7.1 General Description of the Samples Villages
7.2 Household Profile
7.2.1 Socio-Economic Structure
7.2.2 Literacy Level
7.2.3 Educational Structure
7.2.4 Housing Conditions
7.2.5 Water Supply Condition in Household of the Respondents
7.2.6 Electricity Consumption
7.2.7 Employment Structure of the Household Members
7.2.8 Purchasing Power

7.3 Educational Profile
    7.3.1 Educational Status in Sampled villages
    7.3.2 Villagewise Total Number, Level and Type of Schools
    7.3.3 Villagewise Enrollment of Students
    7.3.4 Villagewise Enrollment of Other Backward Castes (OBC), Scheduled Castes and Scheduled Tribes (SC/ST) Students
    7.3.5. Villagewise Teacher-Student Ratio
    7.3.6. Villagewise Areal Spread of Schools
    7.3.7. Villagewise Problem of Drop out
    7.3.8. Villagewise Infrastructural Facilities in Schools

CONCLUSION AND SUGGESTIONS  206-214

BIBLIOGRAPHY  215-224

APPENDICE  225-235

GLOSSARY  236
