ACKNOWLEDGMENT

Word fails, to express my deep sense of regard and gratitude to my guide Prof. S. MOHAN, Ph.D, D.Sc., Dip. in German, Dip. in HRD, D.B.M., D.B.A., F.I.C.S, F.N.Y.A.Sc, F.L.S.S., F.Inst.P., Professor and Head, Raman School of Physics, Pondicherry University, Pondicherry, for his unpredictable effort, advise, timely suggestions, excellent guidance and encouragement.

I am grateful to express my thanks to Prof. V.T.PATIL, Vice Chancellor, Pondicherry University for granting me the permission to carry out the research work at Raman School of Physics, Pondicherry University, Pondicherry.

My deep sense of respect and gratitude to Dr.M.M.Mahajan, Principal, J.N.R. Mahavidyalaya, PortBlair for his kindness in granting me leave, providing me moral support and for his encouragements to carry out my research work at Pondicherry University.

My deep sense of regards is devoted to Dr.A.R.P.Sinha, Head, Department of Botany, J.N.R. Mahavidyalaya, PortBlair, for his timely help.

I am very much thankful to Dr. A.K.Sinha, Head, Department of Bengali, J.N.R. Mahavidyalaya, PortBlair, for his right direction and valuable suggestions to carry out my research work.
I take this opportunity to express my gratitude to Dr. N. Puviasan, Shri. B. Karthikeyan, Shri. Murugaraj and Shri. Manikandan for their help during the thesis work.

I am thankful to Shri. Suraj Bhan, HOD (Physics) for his moral support and encouragement to my research work.

Out of my deep sense of regards devoted to Dr. Z.A. Khan, Principal, M.G. College, Mayabunder for his moral support and enthusiastic encouragement, and advice to carry out this research work at Pondicherry University.

I am also thankful to all those who provided their help and contributions either directly or indirectly, whom I am unable to remember this time.

I wish to acknowledge both the faculty members Pondicherry University and J.N.R. Mahavidyalaya, Port Blair for their help to me during my research.

SONAMUTHU. K.
