ACKNOWLEDGEMENTS

I bow in adoration to **Almighty Allah, the Cherisher and Strength giver.** I meticulously organized this research work bestowed before the Almighty whose Grace and Mercy keeps the world alive.

It is my affable duties to pay sincere accession to those who have been connected with this work and provided me many inspirations.

First of all, I would like to pay gratitude to **Prof. Hifzur Rahman**, my mentor and the Chairman, Department of Geography, Aligarh Muslim University, Aligarh for his relentless and scholarly guidance in the completion of this research work. His valuable and generous attitude, oratorical aplomb and proverbial grit were estimable and thankworthy. It is also his gratefulness in the capacity of Chairman of the Department, for providing me all possible facilities to carry out this work.

I am also grateful to Professors Salahuddin Qureshi, Abdul Munir, Farasat Ali Siddiqui, Shamsul Haque Siddiqui, Sayeed Ahmad, Ateeque Ahmad, and Dr. Fakhruddin and other faculty staff of the department for their cooperation and inspiring advocacies.

I offer my sincere tribute and homage to Professor Emeritus (Late) Mohammad Shafi who remain an illustrious and eminent personality belong to the Department of Geography, Aligarh Muslim University, Aligarh.

My sincere thanks are also due to Prof. Mohd. Farooque Siddique who was kind enough to advice me on presentation of the research work, whenever I approached him.

I wish to thank to my colleagues Dr. Anisur Rahman, Dr. Asif Ali, Mrs. Nadia Anis, Miss. Suman Lata, Mr. Zafar Iqbal and Mrs. Naima Umar for their regular supports.

My thanks are also due to all the research scholars of the department, especially to those who helped me at every step when I was continuing this research work. Some of them are Messrs Mohd. Sadiq Salman, (Dr.) Mohd. Kaish,

Technical staff members, Mr. Najmuddin Khan, Dr. Gulsher, Dr. Jahan Khan, Mr. Javed Ahmad Khan, Mr. Munney Khan, Mrs Talat K. Fatima, Dr. Shafiqullah Khan, Dr. Yasir S. Hanafi, and Dr. Ahmad M. Siddiqui are also appreciated for their constant support and helps.

Special words of gratitude are to Mr. Aboo Ishaque P K for providing me helpful cartographic assistance. I also earmarked the brotherly affection of Mr. Younis Mushtaq who provided me regular help during field surveys.

I would also like to thank Professors Rashid H. Siddiqui, Parvez Qamar Rizvi, P. K. Srivastava, Doctors Basit Hussain, Samina A. A. Surti, Shahid Farooq, Sagheer Ahmed, and Messrs Haji Ahmed Ashfaq, Chaudhry Afzal Ahmed, and H.R.K. Sherwani, and Mrs. Shahnaz Siddiqui and Shaheen Sherwani for their valuable oratorical supports and well wishes. Other helps and support were from Messrs Sanjay Kumar, Imran Siddiqui and Hamid Iqbal.

I feel deeply bestowed in acknowledging the blessings of my grandparents (Late) Haji Mohd. Sami and Mrs. Akhtari Begum, and maternal grandparents Mr. Abdul Gaffar Farooqui and Late Mrs. Sarvari Begum. The courteous allegation is due to my parents Mr. Ashique Ali Farooqui and Mrs. Sanjeeda Begum for their blissful and heartfelt support in completing the research. My wife Mrs. Sumaiyya deserves for special mention for her regular support to overcome the stress and hesitancies during my business in thesis writing. My deep sense of gratitude are also expressed to other family members, Messrs Rashid Jamal and Sajid Jamal, and Mrs. Nayla who had been all around during the completion of this research work.

(Kamal Asif)
