This dissertation would not have been able to see the light of the dawn without the guidance and help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of this study. Today, when the present piece of work is being submitted for evaluation, I take the opportunity to extend my gratitude to all of them.

Foremost, I would like to express my sincere gratitude to my advisor Prof. Satish Chand Bhadwal, for his continuous support towards the completion of this work. I could not have imagined having a better advisor and mentor than him for my Ph.D. study.

I am not sure if a word ‘Thank you’ is enough to express my gratitude to Prof. Sunil Kumar Gupta, former vice-chancellor of H.P. University, who understood the significance of the study and allowed me to consult the university records.

I extend my special thanks to Dr. S. Pany for his help, suggestions and academic consultations.

I earnestly acknowledge the help and support provided by the Section Officer, Sh. Rattan Singh Thakur, and other members of examination wing viz., Sh. Bhagat Ram, Sh. Kamal Kumar and Sh. Chitawar Singh during the data collection stage of this study.

Special thanks are due to the teaching and non-teaching staff of Department of Education, H. P. University for rendering their cooperation and timely help during the course of this study.
I thank Sh. Jasvinder Singh Panesar, Vice-Chairman, Jupiter College of Education, for his support during the research work.

I thank Librarian and library staff of H.P. University for their cooperation and help in availing resources of H.P. University Library.

During these years, Chandel Guest House had been my home. Living there had been a joyful and enriching experience due to the companionship of my friend Devender Kumar Sharma. The stimulating discussions, the sleepless nights we worked together and for all the fun we had had during the last five years made my stay memorable in this Guest House. Special thanks to Sh. B. S. Chandel, the owner of the Guest House, his wife and sons who were so willing and unconditionally ready to extend help whenever I needed it.

The spiritual encouragement extended by my parents, Sh. Ram Nath and Smt. Shakuntla Devi, my mother-in-law Smt. Surekha Walia during the course of this work had been helpful to me in many ways to overcome many difficulties during the various stages of this investigation and I will fail in my moral responsibility if I do not extend my sincere gratitude and respect to each one of them.

I will never forget to acknowledge Dr. (Mrs.) Veena Bhadwal, wife of my supervisor, Prof. Satish Chand Bhadwal, for her encouragement, support, care and affection rendered by her during this study. I remember the days when due to long discussions with my supervisor I used to get late in the evening, at that time she never forgot to serve food for me with motherly care and affection.
I owe my loving thanks to my wife Mrs. Jyoti, without her encouragement and understanding it would have been impossible for me to finish this work. Also I express my deep sense of affection to my sweet daughter ☺️joy 😊 for keeping me in a joyful mood ever. My special gratitude is due to my sisters and their families for their loving support.

The investigator bows his head to God, The Almighty, for all the kindness and divine blessings that I received during the research period.
