

Acknowledgements

I offer my deep sense of gratitude to my supervisor Dr Kedar Nath Das, whose keen interest, continuous encouragement, valuable guidance and constant supervision were a source of inspiration to bring this thesis to lime light. I am not finding word to express my sense of appreciation to his ever inspiring and ever clarifying thoughts. Special thanks to my supervisor Dr Kedar Nath Das for his guidance towards the organization of this thesis and necessary corrections.

I wish to express my heartfelt gratitude to our honorable founder Dr A. Samanta for his ever inspiring thoughts and ideas towards high standard research of our university, which is a main source of motivation for me to do this work. I am highly grateful to Prof. N. L. Mitra, Chancellor, Prof. P. P. Mathur, Vice Chancellor, and Dr S. Samanta, Registrar and Director, Admissions, KIIT University for providing me the necessary infrastructure and facilities to carry out the research work. I am also very much thankful to Prof. S. Nanda, Chairman, Research chair for showing me the right direction and giving valuable comments in preparing the thesis. I thank Prof. B. B. Patra, Dean 1st yr, B.Tech Programme, Dr Puspalata Pattaajoshi, Dean School of Applied Sciences, Prof. B. B. Mishra, Dr S. K. Barik, members of RSC committee, and Prof. H. B. Pattanayak, Chairman of Research Scrutiny Committee who have extended their helping hands whenever sought to give the work a real shape. I am also thankful to all my fellow colleagues and friends of my Department for their helpful advices.

Last but not the least; I am particularly very much thankful to my mother who consistently gave me courage and support to enhance my research work. I am also thankful to all my brothers and sister for their co-operation from the Day-1 of my Ph. D. work towards the end of my work. In the core of my heart, I am also very much indebted to my beloved daughter (Debahuti Mishra) for her cooperation and support during the entire research period.

Above all, in my heart of hearts, I am quite indebted to my supervisor, parents, brothers and sisters & my beloved daughter (Debahuti Mishra).

Rajashree Mishra
