Dedicated to my Father

The late Shri.M.R.Sukumaran Nair.
ACKNOWLEDGEMENT

With great pleasure, I express my deep sense of gratitude, love and reverence to my guide and research supervisor, Dr. C.M. Aravindan, Professor, Department of Aquatic Biology and Fisheries, University of Kerala, for his unfailing guidance and encouragement and valuable help in the completion of this thesis.

I am grateful to Dr. P. Natarajan, Professor and Head of the Department of Aquatic Biology and Fisheries, University of Kerala, for providing me with all the facilities in the department to carry out my work unhindered.

I remember with gratitude the kind help rendered by Dr. T. Vasudevan Nair, Senior Chemist, Marine Chemistry, Mrs. Dr. S. R. Rittakumari, Professor, Department of Aquatic Biology and Fisheries, University of Kerala and Mrs. Dr. Rani Mary Jacob, Principal Scientist, CMFRI, Madras for their help and encouragement through out the course of this research work.

I am grateful to Mr. Kurien, Research Scholar, Department of Aquatic Biology and Fisheries, for the assistance rendered by him in the statistical analysis of the data and to Mr. Shibu and the Paramount Studio, Thiruvananthapuram for the preparation of photographs – plates.

My thanks are also due to Mr. Babu, staff of the Department of Aquatic Biology and Fisheries, and to Mr. Madhu, Vellayani for their services during the period of sample collection.

I express my special thanks to Mr. Vijayakumar, Kanchi Computers, Thiruvananthapuram for the prompt and excellent typing of the manuscript and to Crystal Clear Communications, Poojappura for typesetting, processing and binding of the thesis.

I am also obliged to Mr. Ajith, Venniyoor and Ms. O. Sareena who were good enough to give me useful documents and research publications.

Thanks are due to the faculty and staff of the Department of Aquatic Biology and Fisheries and also to the research scholars for their co-operation and support through out the course of this work.
I am indebted to the University Grants Commission for the award of the Research Fellowship during the tenure of which this work was carried out. I am also thankful to the NSS Management and to the Principal, NSS College for Women, Neeramankara for giving me permission to avail leave and do this research work.

Words fail to express my gratitude to my husband, Mr. Krishna Pillai, who has always stood by me and encouraged me to carry out my research work successfully. The moral support given by my mother and my daughters cannot be forgotten.

Above all, I thank GOD ALMIGHTY, without whose blessings, I would have never been able to complete this work.

Thiruvananthapuram, August 2003.

Nair Mallika Sukumaran
