(1) I am deeply indebted to Dr N. K. Indrayan, Professor and Head, Department of Law, Saurashtra University, Rajkot, for his initial and continuous encouragement and guidance, without which this work would have been very difficult for me. If I have failed to come up to his expection, both on facts and interpretation, I alone am responsible.

(2) I am also grateful to my colligues, late Principal Shri B. I. Patel, Mr. R. N. Singh, visiting faculty and others for their constant inspiritation and help during this study.

(3) I express my deep sense of gratitude to Dr. B. G. Maniar, Professor, Department of Law, Saurashtra University, Rajkot, for discussing various topics and for useful and constructive suggestions.

(4) I would be failing in my obligations if I do not convey my thanks to all the authors of the books and articles from which I have quoted and made references.

The opportunity cost was born by my wife, my sons and daughters.
