

## **ACKNOWLEDGEMENTS**

*It gives me an immense pleasure to unveil my deep inexpressible gratitude to my research supervisor, **Dr. (Mrs.) M.C.S. Subha, Senior Professor, Department of Chemistry** for her perennial supervision, insightful guidance, thoughtful discussions, and meticulous care in every turn of this research concept. She has also guided my personal development and maturation as an independent, confident and strong researcher, something which I never could have learned from a book. I am extremely lucky to work with such a high profiled person. Her guidance was the next best thing to knowledge, which I will cherish throughout my life. She is truly a source of inspiration to pursue a research-oriented career.*

*I am highly obliged to the authorities of Sri. Krishnadevaraya University, Ananthapuramu, Andhra Pradesh, India, for providing facilities to execute this research work.*

*I wish to express my sincere thanks to **Prof. J. Sreeramulu, Head & BOS. Chairman** and all the other staff members of Chemistry Department, S.K University for their keen interest, valuable suggestions and providing facilities during this investigation. I wish to express my deep and heartfelt gratitude to **Prof. K. Chowdoji Rao, Head & Chairman, BOS,** Department of Polymer Science & Technology & Dean, UGC Affairs & Development , S.K. University, Ananthapuramu, for his inspiring enthusiasm, meticulous planning, stimulating discussions and valuable suggestions in my research work especially while preparation my thesis have been the main factors to complete my research work.*

University, Ananthapuramu to receive special note of appreciation and gratitude for their readiness in providing all kinds of help. I shall remain thankful to all those scholars whose works I have referred in the present work and to all of them who had been instrumental in enriching my understanding of the subject and served as a source of inspiration.*

Words are insufficient to express my affectionate gratitude to my Parents (**Sri. Late N.SOMA REDDY & Smt. N.SAROJINI DEVI**) for their ever-lasting love, encouragement and support. I express my deep sense of love for my caring parents without whose prayers and blessings my quest would have remained unfulfilled. The values they have instilled in me, their belief in knowing I could accomplish anything to which I set my mind, their guidance and love throughout my life.

It is difficult to forget the whole hearted encouragement and blessings I received from my younger father & mother, **Sri.N.Linga Reddy and Mrs. N. Anasuya**, whom I am forever thankful. I wish to keep on record my heartfelt thanks to my elder brother & sister-in-law, **Mr. Mohan Reddy & Mrs. Bharathi** and their daughters **Akankcha, Ankitha & Akhila**. Younger brother & sister-in-law, **Mr.N.Ramesh Reddy & Mrs.N.Radha** and their sons **N. Prajwal & N.Pawan** and my sister and brother -in-law, **Mrs. N. Malleswari Devi and Mr.Anjaneyulu** and their children **Miss. Sai sri and Master. Sai Kiran**, Mother-in-law, **Smt. R. Nagamma**, elder brother-In-law, **Mr. Venkatram Prasad**, younger Brother-in-law & his wife, **Mr.R.Srinivasulu and Mrs. Vasudha kiranmai** and their daughters **Baby Renu and Baby Vaishnavi**.

I wish to express my sincere thanks to **Dr.B.Saha, Director R&D of Nagarjuna Agri chem. Limited**, R&D centre, Shadnagar, Near Hyderabad for his Cooperation for the thesis work.

The work would not have been completed without the co-operation and encouragement by my wife **Mrs. N. Lalitha Kumari** to whom I am very much grateful.

I thank my lovely son **N. Harshavardhan Reddy** and my sweet daughter **N. SriLekha** for allowing me to concentrate on this work with their minimum disturbance of childhood play.

Finally I thank and remember each and every person, who helped me directly or indirectly in successful completion of this research work.
