ACKNOWLEDGEMENTS

It gives me utmost happiness to express my sincere gratitude to Prof. P. Mohammed Akhtar, B.O.S Chairman, Professor of Statistics, S.K.University, Ananthapuramu, for his inspiring guided, constant encouragement, constructive criticism and timely suggestions offered by beloved research supervisor during the course of my research. His personal interest and care are responsible for my successful completion of this thesis.

I express my gratitude and thanks to Prof. K. Pushpanjali, Head, Department of Statistics, S.K.University, Ananthapuramu, for her valuable suggestions and support during the course of study.

My sincere gratitude towards my School Teacher G. Ranganatham, Z.P.H. School, Venkatapuram(V), Bukkarayasamudram(M), Ananthapuramu(Dt), who was the brain and the force behind the entire education.

I am grateful to my parents Late B. Pedda Nagamuni and B. Aswarthamma by the way of inspiration, patience and encouragement at all times but most conspicuously during this period. I dedicate this thesis to them.

My sincere thanks to Dr. B.R.N.Murthy, Lecturer in Statistics, Govt. (UG.PG) Ananthapuramu, Dr. B. Venkata Ramudu, Associate Professor of Statistics, S.S.B.N Degree College, Ananthapuramu, for their stimulating and discussions and innovative during the course of my research work.

I acknowledge with thanks to my research colleagues K. Muthyalappa, G. Venkatesulu, M.C. Chandraprasad, M. Sudhakar, for their valuable suggestions and encouragement during the course of my thesis.

I am thankful to G. Neelakanta, Nagendra, B. Lakshmidevi, Ramulamma, Office Staff, Department of Statistics for their cooperation throughout this work.

I want to express my deep gratitude to my brother-in-law Sri. K. Yerriswamy without whose constant support, help and cooperation, my endeavor of
research work. I would like to thank my brothers and my sisters and brother-in-law’s and all other relatives for their continuous support.

I express my sincere thanks to S.K. University, Ananthapuram, authorities for allowing me to register for Ph.D., as full-time scholar in the Department of Statistics, and providing all available facilities for the completion of my research work.

I sincere thanks to UGC for granting me Non-SAP BSR RFSMS Scheme fellowship during my research period.

Finally I thank one and all who directly and indirectly helped me in completion of this work.

B. SAINATH
