ACKNOWLEDGEMENT

It gives me immense pleasure to express my sincere thanks and gratitude to my esteemed teacher and guide Dr. Sunita Arora, M.S., Reader in the Department of Obstetrics and Gynaecology, M.L.B. Medical College, Jhansi for her learned guidance, constant encouragement, constructive criticism and invaluable help which she extended to me in every way at every juncture of this project.

I extend my profound sense of gratitude to my esteemed and exalted teacher, Prof. Rama Mitra, M.S., D.G.O., Professor and Head of the Department of Obst. & Gynaecology, M.L.B. Medical College, Jhansi who, with her divine inspiration, uncompromising standards, timely and constructive criticism, and above all a benevolent attitude, helped me in the completion of this work. Her unfathomed knowledge and untiring zest for work has inspired me throughout my work.

I express my deepest gratitude to Prof. R.C. Arora, Professor and Head of Department of Medicine for his valuable suggestions and unending patience in explaining to me the various aspects of this study. He has been an incessant source of guidance during the course of this work.
I am grateful as well as thankful to Dr. Ratna, M.D., Lecturer in the Department of Pathology for her generous help, valuable expertise and inspiring guidance in helping me to make this work a success. It was with utmost patience and understanding that she solved all my problems which arose during the study.

I wish to express my sincere thanks to the staff members and my able teachers of the Department of Obst. & Gynaecology, Dr. M. Kapoor, M.S., Dr. U. Agarwal M.S., Dr. S. Sharma, M.S., and Dr. S. Kharakwal, M.D. whose encouragement and constant help made this work possible.

I find words difficult to express my sincere and heartfelt thanks to my husband, Dr. M.P. Majid, M.D., (Paediatrics), S.R., R.M.L. Hospital, New Delhi who with his immense help, sincere advices constant encouragement and moral support, extended to me in every step of this work, helped to finalize the present study.

Though words are not adequate, I take this opportunity to express my deep sense of gratitude to my mother, who with her kind blessing exemplary patience and enormous courage helped me in the completion of my work.
I feel deeply obliged to my parent (in laws) who with their constant blessings and inspirations helped me in my work.

My thanks extend to my brothers and sisters who have helped and encouraged me throughout this present venture.

I would fail in my duty if I don't thank my colleagues, friends and well wishers for their generous help and inspiration to bring this work to this present shape.

I am sincerely thankful to Mr. Siddiqui Ali for his skilful typing and who has helped me to produce this neat script of my work.

I extend my thanks to all the patients who helped me and who were ready to submit themselves as subjects for the present work.

In the last I am emotionally overwhelmed to dedicate the present work to the memory of my respected father whose impeccable nature, irrevocable decision have left an indefinable impression in my heart and whose memory shall always enlighten my future.
