ACKNOWLEDGEMENT

The researcher expresses her deep sense of gratitude and indebtedness to her guide Dr. A.N. Joshi, Professor, School of Education, Yashavantrao Chavan Maharashtra Open University, Nasik. His insight and profound knowledge have been source of inspiration and enlightenment to the investigator. It is due to his illuminating guidance and constant encouragement that the investigator could complete this study.

Thanks are also due to the present Head of the Department of Education, Shivaji University, Kolhapur, Dr. R.B. Dewasthaalee, who bestowed his affectionate encouragement and offered all the co-operations. She cannot forget Dr. M.S. Sonar, Professor and Ex-Head of the Department of Education, Shivaji University, Kolhapur for having rare and personal guidance and valuable suggestions. At the same time she cannot forget all the staff members of the Department of Education for their co-operations.

She would like to put on record her sincere thanks to members of library and staff of Tata Institute of Social Science, Bombay for providing necessary facilities for research during her visit to TISS.

The researcher is highly greatful to Principal Dr. B.B. Patil, Mahaveer College, Kolhapur; Head Masters of New High School, Kolhapur; S.K. Pant Walawalkar High School, Kolhapur; Private High School, Kolhapur and N.M.V. High School, Kolhapur for granting permission and providing facilities for conducting the experiment in their college
and schools. Mrs. Bhadre, Librarian of Mahaveer College, Kolhapur and Mr. Joshi, Librarian, S.M.T. College, Kolhapur also deserve her sincere thanks for their co-operation and help.

The researcher is also grateful to Principal N.B. Bhosale and Principal V.B. Dadage for their co-operation and help time to time.

The researcher also thanks to her colleagues Mrs. N.R. Patil, Mrs. S.P. Deshpande, Smt. S.J. Baker, Shri V.G. Kulkarni, Shri K.D. Gaikwad for their assistance and help. She is grateful to Prof. Hirdekar, who helped in correcting the grammatical part of thesis.

She is also thankful to the student-teachers participated actively in the experimental work without which this thesis could not be completed.

Researcher's special thanks are also due to her husband Mr. Ravindra Sapre for giving continuous encouragement, help and co-operation to complete the study.

It is a matter of great pleasure for her to record her appreciation for her beloved daughter - Rasika for showing utmost patience and understanding during research.

The researcher also thanks her brother-in-law Mr. Arvind and Mr. Subhash Sapre for their co-operation in communicating and collecting the reference material. She is also grateful to all the other family members.
She cannot forget her late mother-in-law, Mrs. Anandi, who always became a source of enthusiasm for her work.

At the end, she would like to express her thanks to Shri Kawade for completion of typing neatly and to Mr. Rasal for other work.
