ACKNOWLEDGEMENTS

A task such as this, could not be carried through, and completed without the support of my teachers, colleagues and others, too numerous to mention whose help I gratefully acknowledge.

I take the privilege to express my feelings towards Dr. Ramesh Kumar, M.D., D.C.H., Professor and Head, department of Paediatrics, M.L.B. Medical College, Jhansi whose uncompromising standards, generosity, and ever patronizing attitude had always been and will ever be a source of encouragement for me.

I express my deepest regards to my guide, Dr. Anil Kumar Kaunshik, M.D., Lecturer, department of Paediatrics, M.L.B. Medical College, Jhansi who directed me superbly in accomplishment of this project. His timely suggestions, intercensions and standards of perfection had been most rewarding for me. What impressed me most was his precision. He is a real connoisseur.
I don't find the words to convey my sincere 
most thanks to Dr. (Mrs.) Sheila Longia, M.D., Reader, 
department of Paediatrics, M.L.B. Medical College, 
Jhansi who had been my co-guide in this project. Her 
co-operative and sympathetic attitude had always 
helped to boost-up my morale during periods of frustration. 
The joy and feeling of working under her guidance 
is really some thing out of this world.

I am grateful and thankful to Dr. D.N. Mishra, 
M.D., M.N.A.M.S., Professor, department of Medicine, 
M.L.B. Medical College, Jhansi who permitted me to 
employ the Electroencephalographic recorder, implanted 
there. His humanitarian attitude and helpful nature 
has cast an indelible impression over the canvas of 
my mind.

I am deeply indebted to Dr. G.D. Shukla, M.D., 
Ph.D., M.N.A.M.S., Lecturer, department of Psychiatry, 
M.L.B. Medical College, Jhansi without whose help this 
work would have never attained the present shape. He 
always extended his helping hand even during most 
busy periods. His masterly decsions, depth of knowledge 
and sense of humour impressed me much.
I would also like to thank Dr. R.S. Sethi, M.D.,
D.C.H., Lecturer, Department of Paediatrics, M.L.B.
Medical College, Jhansi for his encouraging and helpful
attitude. He was always ready to help me at any odd
hours of his life. His suggestions had been very
valuable during the states of dilemma.

I owe my whole of the career to my parents
and other family members without their help I would
have never achieved the present status. I am proud
of them and bow my head as a mark of respect.

I gratefully acknowledge the undefinable help
and support extended to me, by my colleagues and
friends. I shall always remain indebted to them.

I would also like to mention the help provided
to me by Mr. Vihan Lal, Librarian Central library
and his staff members who were always ready to assist
me during the thesis work.

I am also thankful to Mr. K.C. Sharma for
his meticulous care and painstaking labour in preparing
the type script of this project.
