ACKNOWLEDGEMENT

I place on record my deep sense of gratitude to my guide and supervisor, Dr.A.G.Murugesan, Reader, Manonmaniam Sundaranar University, SPK Centre for Environmental Sciences, Alwarkurichi, for his untiring efforts, valuable guidance, enduring patience, enthusiastic support and stimulating suggestions, which enabled me to successfully complete this dissertation.

I would also like to extend my gratitude and thanks to my co-guide Dr.N.Sukumaran, Professor and Head, Manonmaniam Sundaranar University, SPK Centre for Environmental Sciences, Alwarkurichi, for his unceasing support, able guidance and useful suggestions, which aided me in completing my dissertation successfully.

I thank the Department of Atomic Energy - Board of Research on Nuclear Sciences (DAE-BRNS), Trombay, Mumbai – 400 085 for fund assistance provided as a Research Fellowship.

I sincerely thank Dr. P.P. Chandrachoodan, Programme Officer, DAE-BRNS and Dr.B.Venkataramani, Head, Analytical Chemistry Division, DAE-BRNS, Mumbai for their invaluable help and constant encouragement during the course of the research project.

I am profoundly grateful to Dr.M.Arunachalam, Professor, Dr.G.S.Vijayalakshmi Professor, Dr. M.B. Viswanathan, Reader and Dr.R.Sornam, lecturer at SPK Centre for Environmental Sciences for their active support throughout my research work.
I thank my teammates, Mrs. A. Anitha, JRF, Mr. A. Muthukumaran, JRF and Mr. C. Balakrishnan, Technical Assistant, for their help and contribution to the project work.

I express my sincere thanks to Dr. V. Balamurugan, Cluster Development Executive, Gandhigram Trust, Dindigul for his kind help and contribution in the bio-statistical analysis of research data.

My thanks are due to Dr. Deepak Samuel and Mr. Ditty, SDMRI, Tuticorin for their assistance in the collection of experimental organisms at Tuticorin coast.

I thank Mr. Thangaraj, Field Assistant, for his help during fieldwork. Also, I do not wish to miss mentioning the help rendered by boatman Sahayam and his group in providing me with accommodation and accompanying me during field work.

I thank the non-teaching staff of SPK Centre for Environmental Sciences for their support and encouragement.

I would like to thank many direct and indirect helping hands, who helped me to complete this project work successfully.

Finally, I must make a mention of the deepest sense of gratitude I feel for the tremendous support of my parents and siblings, whose constant encouragement and kind words have acted as a source of inspiration for me throughout my work.

M.I. ZAHIR HUSSAIN
