

Acknowledgements

I would like to place on record my heartfelt gratitude to my research guide Prof. Dr. M. Abdul Rahiman, former Chairman, Department of Biosciences, Mangalore University and former Vice Chancellor, Kannur and Calicut Universities, Kerala, but for whose constant encouragement and guidance, this work would never have been possible.

I wish to acknowledge Prof. M. Rajashekhar, Chairman, Department of Biosciences and former Chairmen, Prof. Jayaram Hegde and Prof. M. N. Madhyastha for their support during their tenures. I am thankful to the faculty and staff of the Department of Biosciences.

I am very grateful to Prof. Sunney Tharappan, my teacher and mentor who not only evinced keen interest in my work, but also readily extended all the support required for the completion of the study.

I acknowledge with gratitude Prof. K. P. P. Sharma, Principal, and the faculty and staff of College for Leadership and Human Resource Development.

I am indebted to Prof. Carl Gans, the scientist who inspired me to take up amphibian studies, Drs. R. S. Pillai, S.D.Biju, R. J. Ranjit Daniels and M. S. Ravichandran for the identification of the amphibians and Drs. K. G. Bhat and Krishna Kumar in the identification of plants.

My sincere thanks are due to Dr. K. Ulhas Karanth, Prof Madhav Gadgil and Dr. R. Sukumar who provided me an opportunity to associate myself in their work. I thank Prof. K. S. Udupa who opened my eyes to the world of statistical analysis.

Drs. K. K. Vijayalaxmi, Bhasker Shenoy, K. Vasudevan, V. Ramakantha, and Ms. Sally Walker, Mr. Sanjay Molur, Dr. B. A. Daniel, Mrs. Ritha Ramesh, Mrs. Smitha and Mr. M. S. Chaithra have been helpful in the collection of literature. I am thankful to them. I acknowledge with thanks Dr. Ravishanker Rao, Ms. Anila and Ms. Annet for their help.

I thank the Principal Chief Conservator of Forests (Wildlife) and Chief Wildlife Warden, Karnataka Forest Department, Government of Karnataka for permitting me to work in the forests of the State.

Special thanks are due to Shri U. T. Alva, former Chief Wildlife Warden, Karnataka Forest Department, Government of Karnataka.

I wish to acknowledge Shri Padmanabha, Shri R. K. Singh, Ms. Madhu Sharma, Shri Narayana Murthy, Ms. Anitha Arekal, Shri K H Vinaya Kumar (All Deputy Conservators of Forests), Shri Raviraj Narayan, Shri Hammabba (Assistant

Conservator of Forest) and Shri G. U. Shanker (Range Forest Officer) and other foresters.

Not to forget Annayya, Late Chinnappa Gowda, Shetty, Karunakar, Govinda, Manju, Cheluva, Murrey, Sukumar, Gajendra and others who were of great help in the field.

I wish to record my appreciation for the support provided by Mr. K. Moorthy and Dr. Jayshree Vencatesan in the computation and preparation of the thesis.

The study was not supported by any fellowship or stipend. Hence, during the course of the study, I received help from different people and organisations in various ways. I wish to record my gratitude to them. Shri M. Madan Gopal, Smt. Durga Bhavani, Mr. Leo Saldhana, Dr. Laxmi, Smt and Shri J. P. Rao, Smt and Shri Ramappa, Shri H. Raghavendra Pai, Smt Kasthuri Jayanth Rao, Shri Ramachandra, Shri G. U. Shanker, Shri H. S. Ananth, Shri Gajanana Pai.

I would like to acknowledge the help rendered by AIM INSIGHTS, Mangalore, CARE EARTH, Chennai, ENVIRONMENT SUPPORT GROUP, Bangalore, Centre for Wildlife Studies, Bangalore, Wildlife Conservation Society, New York, Centre for Ecological Sciences, Indian Institute of Science, Bangalore, Zoological Survey of India, Chennai, Wildlife Institute of India, Dehradun, Zoo Outreach Organisation, Coimbatore, Susheela Trust, Addoor. The help received from all these organizations is gratefully acknowledged.

My friends, U. S. Rao, M. C. Ramu, Kishore Attavar, Freeda, Ida, Renni, Joselyn Lobo, Mohanchandra, Jagadish Ammunje, Natesh, Stig Toft Madsen, Theertharam, Vani, Uma Shanker, Shashidhara Adappa, Basavaraj, Srinivas, Niren, Rohith and host of others who were of help at every stage of my work.

It was my late mother's implicit faith in my capabilities and the immense support she provided that motivated me to undertake this study. My parents nurtured and raised me in a nature-friendly, rural environment where I was encouraged to learn everything about plants and animals that shared the neighbourhood.

I record my deep sense of gratitude to my brother Addoor Krishna Rao for all his help.

I am thankful to all the members of Addoor and Somayaji families, relatives and well-wishers. I am deeply indebted to my wife Smt Shreelatha U. A., who took charge and care of everything, which was crucial in the pursuit of this study. My son, Master Saurabh S. Addoor helped me to come out of my hibernation and complete my work, through his thought provoking questions about Nature.

And finally, I wish to acknowledge all Amphibians for their selfless service to Mankind.
