ACKNOWLEDGEMENT

It is my duty to render gratitude to all those who helped me in carrying out this research work. First and foremost, I express my respectful gratitude to my beloved research guide Dr. Khaisar Muneebullu Khan, Associate Professor of Library and Information Science, for suggesting an appropriate topic for my research. I thank him wholeheartedly for his constant encouragement, support, guidance, and untiring assistance throughout my research work. It was only because of his benevolent behaviour and unmatchful source of inspiration that enabled me to accomplish this task within reasonable time. I shall remain ever indebted to him.

I express my respectful gratitude to the Collegiate Department, Bangalore for having granted me permission to undertake this research work.

I sincerely thank Dr. Mahesh Mudhol, Chairman of the Department of Library and Information Science, for his valuable suggestions during my visits to the Department.

Gratitude in my words would be insufficient for the timely help and meticulous guidance I received from Dr. Umesha Naik, Department of Library and Information Science. He provided all the necessary computer data wherever required.

I am indebted to the authorities of the Mangalore University and Prof. A.K. Bardol the former Chairman, Department of Library and Information Science. I offer sincere thanks to Dr. Mallaiah T.Y. for his valuable guidance and suggestions in the preparation of this work. My
thanks are also due to Dr. M.K. Bhandi and Mrs. Pushpalatha for providing the library facilities in pursuing my research.

I am grateful to Mrs. Sucharitha for helping me in statistical computations. Ms. Mamtha L. Rao is warmly remembered for her timely help in correcting the script.

I sincerely thank our beloved principal Prof. Radhakrishna K. who administered the draft of my thesis and suggested modifications wherever required. I thank all my colleagues for their moral support and encouragement.

My wholehearted thanks to Dr. Vishala for her support, encouragement and constructive criticism that yielded ideas of great importance to the study. I thank Mrs. Pooja R and Dr. Vasappa Gowda, for helping me in data entry.

I would be failing in my duty, if I don't acknowledge the help I received from all my library professionals of the colleges affiliated to Mangalore University by providing the required data and helped me to carry out this research work. I am grateful to all the respondents.

Above all, I remember with gratitude my parents, sisters, and brother without whose insistence, I would not have considered research work. I remain ever indebted to them.

Last but certainly not the least, I remember with gratitude my husband Mr. Prabhakar for helping me at the data collection stage. My dear sister Prof. Shakila deserves a special mention for making me realize this dream. My daughter Nishitha deserves a special note of appreciation for patiently bearing with me during the long period of this research
work. She was extremely co-operative and helpful during the completion of this research.

I thank all those who have been a part of this venture of mine, directly and indirectly.
