Acknowledgments

I prostrate in obeisance before “Almighty” the creator, curator and paramount who bestowed upon to the capabilities and blessed me with the knowledge and wisdom that has culminated in this thesis, certainly it’s a journey to salvation.

I simply fumble for words to express my deep sense of requital and gratitude to my revered supervisor Prof. M. Yunus Khalil Ansari, Department of Botany, Aligarh Muslim University, Aligarh for supervising me with patience and knowledge whilst allowing me the room to work in my own way in a benign and amity atmosphere; his savvy navigation, tends supervision and exquisite guidance has off course enhanced the value and prestige of the work carried out.

I feel immense pleasure to express my gratitude to Prof. Mohammad Anis, Chairman, Department of Botany, Aligarh Muslim University for providing all necessary facilities to carry out the assigned task efficiently.

I wish to express my deep genuflection to my parents (Mr. Asif Ali Khan and Mrs. Nayyer Choudhary) for their constant admonitions and for putting up with my uneasy temperament during the stressful time.

I offer my humble feelings and gratitude to my dear sister Suhana my brother Anas for encouragement and unequivocal support as always to make the endeavour a success.

Special thanks are acknowledged to Dr Mohammad Yusuf for miscellaneous help, timely advice and encouragement in my academic pursuits.

In my daily work I have been blessed with a friendly and a cheerful group of my lab colleagues and I would like to thank them likewise; Dr. Danish for his generous help and healthy suggestions, Dr. Zeba for often bearing the brunt of my frustration and rages with equanimity, Honey whose thoughtfulness always provided constant motivation, Alka who helped me with her foretelling which were sometimes really applaudable, Rumana who always stood by me whole-heartedly and Towseef for their healthy suggestions.
I would also like to acknowledge the forbearance shown and help rendered to me by my roommate Nigar for their flawless contributions to me. I would also like to thank my dear friends Saba, Saima, Neelofar, Aemi, Kavita, Neelu, Shiwali who gave their full support and boosted immense confidence in me, seniors Naushina, Bushra, Zehra, Farha, Rubina for their timely advice and encouragement, and juniors Irfana, Bushra, Gauhar, Hina, Kehkashan, Zeenat, Mehvish, Shahnaz for their healthy criticism and moral support.

Lastly I would like to thank the funding body, UGC fellowship, for keeping me economically sound and helped to carry out the piece of work in financially well to do environment.

Thanks to all for constant support during what at times seemed to me a work without end. Healthy suggestions and recommendations are always welcome..!!!.
