ACKNOWLEDGEMENTS

I would like to express my deep and sincere gratitude to my research supervisor, Dr. K.R. Sridhar, Professor, Department of Biosciences, Mangalore University for his valuable guidance, encouragement, enthusiasm and perpetual energy in research. His truly scientist intuition has made him a constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as a student and researcher.

It is a pleasure to thank immensely many people who provided the instrumentation facilities Dr. Arun A.B., Yenepoya University, Mangalore, Dr. Naresh Kumar, Senior Scientist, Central Plantation Crops Research Institute, Kasargod, Dr Sai Dutta, Professor, National Institute of Technology Karnataka, Dr H.M Somashekarappa and Dr. N Karunakara, University Science Instrumentation Centre, Mangalore University, Dr. Ganesh Sanjeev, Microtron center, Mangalore University, Rev Fr Leo D’Souza S.J., Director, Applied Biology Laboratory, St Aloysus College, Dr Shashikiran, St Aloysus College

I thank the Chairmen of the department of Biosciences Dr M Rajashekar, Dr M Krishnamoorthy, other staff members Dr Chandrakala Shenoy, Dr Prashanth Naik, Dr. Chandra and Dr N. Tharavathi and non-teaching staff for their support. I also appreciate the help offered by Prof Klaus Becker, Germany in my literature retrieval.

My appreciation is due to Drs Rajeev and Kadamanaya, Karamchand and Rev. Melvyn for their kind assistance during the tenure of this research. I am indebted to my friends Supriya, Sudheep, Shreelalitha, Neveditha, Rochelle, Asif, Ashwani, Shamshuddin, Sunoj, Murali and Praveen Alva for providing a stimulating and fun environment in which I learnt and grew.

My deepest gratitude goes to my dad and mom for their unflagging love and support throughout my life, this would be impossible without them. I am also grateful to Mrs Jayalakshmi Sridhar for her kindness and encouragement to pursue this task.

I am indebted to the University Grants Commission, New Delhi and Mangalore University for the award of research fellowship under meritorious scholarships.
