ACKNOWLEDGEMENT

I express my indebtedness and heartfelt gratitude to Dr. S M Prakash for magnanimously consenting to share his experiences and expertise connected to this research work and for guiding me in completing this thesis successfully.

I express my gratitude to Late Prof. S. Gopal, former Vice-Chancellor of Mangalore University, for providing the necessary facilities and encouragement during the course of registration of this study, and also I extend my gratitude to Dr. Gerald Santhosh D’ Souza, Asst. Dir. of Phy. Education, Mangalore University, who assisted me in bringing this thesis to its present form.

My sincere thanks to the Mangalore University Administration, for providing me with the opportunity to take up the present work and for affording me the necessary atmosphere required for the study. I also wish to express my sentiments to Prof. Sheshanna, Former Principal, University College of Physical Education, University of Mysore, Mysore, Dr. H. Nagalingappa, Director of Physical Education of Mangalore University, and Dr. Kishore Kumar C.K Asst. Dir. of Phy. Education, Mangalore University, for providing me with timely inputs of information and guidance.

I wish to record my sincere gratitude to the Team Managers and Coaches of various Universities and participants of south zone inter universities’ competitions for replying to my queries promptly and sincerely and thus enabling me to present a meaningful picture of ‘Management of Stress’ among University Sportspersons in the south zone inter university competitive sport scenario.
A word of appreciation and gratitude goes to my colleague and friend Mr. Pattabhirama Somayaji, Selection Grade Lecturer in English, for taking the pain and effort to edit the draft and helping me in finalizing the thesis.

I wish to acknowledge the help rendered by the following departments and persons and who have, in one way or the other been instrumental in the preparation of this thesis: The Director and Library Staff of LNIPE, Gwalior, the Librarian and staff of Mangalore University, the Librarian and staff of Annamalai University and SAI South Centre, Bangalore for providing me with the necessary literature support; the office of the department of physical education, for supporting me in my work and assisting me by providing the necessary computer and internet facilities, the students of the department of Physical Education, Mangalore university for assisting me in the collection of the data.

My gratitude is due in large measure to my wife, daughter and son for their moral support and patience and for bearing with my untimely hours of work connected with this research. My gratitude goes in large measure to my friends Mr. Rangappa, Lecturer in Sociology, Mr. Raghav B. Lecturer in History, FMKMC College, Madikeri, Mr. Kantharaj, Physical Director, University of Mysore, Mr. Pavan Mangalore for their assistance in the preparation of this thesis.

A word of thanks also goes to all other visible and invisible hands, which have extended support for the completion of this thesis.
