ACKNOWLEDGEMENT

At the very outset I would like to express my sincere gratitude to various corporate for providing me with an opportunity to work with them and to undertake this project on ‘A Geographical Study of Agricultural and Economic Changes in Command Area of Kukadi Canal Irrigation Project in Western Maharashtra’ is prepared with utmost care. In course of preparation of the research study, it was no doubt a strenuous test but was a purposeful academic exercise.

I must record my incalculable debts to Dr. Mahalkar Ramesh Trimbak, my Supervisor, for his constant advice and encouragement, and for his corrections of numerous errors. His dedication to research work, effective guiding ability and unique capability of tolerance, facilitate me easy understanding of importance of enacting standards of research. I am highly indebted to him for his generous advice and co-operation in preparation of this manuscript.

I am happy to take this opportunity to express my thanks to Dr. G.N. Kacchawa, Head of the Department of sciences J.J.T.U. Rajasthan, for his kindness, help and caring nature. My appreciation goes to the staff of JJT University for their willingness in searching for even the most obscure references.

I am also happy to take this opportunity to express my special thanks to Dr. A.B. Chede, the chairman of Rural Education Society, Mirajgaon.

I must also record my deep respect and gratitude to my Principal Dr. S.N. Gambhire, for his wholehearted support, and timely guidance.

I would like to thank the many friends and colleagues, too many to name individually here. My special thanks to Prof. A.H Choudhar, Dr. Ankush Aher (BOS Chairman, Pune University), Dr. S.R. Pawar, Prof. Narke, Prof. Bhushan Tagad, Mr. Pankaj Kolhe, and Prof. Anand Pandit, Prof. Machhindra Muluk, Prof. Appa Mane, Prof Prashant Gondkar, Mr. Dipak Borude, for their sincere and tireless help in the whole work. I am also thankful to all the teaching and non-teaching staff of Mahatma Phule Nutan Mahavidyalaya, Mirajgaon.
I am highly indebted and thankful to all of them for sparing valuable time from their busy schedule to provide me constant guidance and cooperation for completing this project.

I am very much thankful to various organizations, Kukadi canal Irrigation division Narayangaon, Shrigonda, Karjat, Pune Irrigation Division, District Statistical departments, Tahsil offices, Talahti offices and benefiter farmers in Kukadi command area.

I purposely thank to my wife Mrs. Manisha Doke, for her unconditional co-operation and moral support. She has helped me at every step and made me present my best in it.

I am extremely thankful to all my family, in particular to parents and beloved son Anurag for giving me there wholehearted support, guidance and encouragement to me at every step of this project. There valuable suggestions and advices have been a constant source of inspiration to me in completing this project.

Mr. Doke Ankush Sahebrao.
