As I submit my Ph.D Thesis, I must first remember the unreturnable contributions of my parents, my father Late Capt. Dharam Pal Singh, who always wanted his children to succeed and excel in life and mother Smt. Bimla Ahlawat, who has been a great source of inspiration for me throughout my life. I would like to thank my elder sisters Mrs. Tanasha Hooda, Mrs. Natasha Hooda and Dr. Manisha Siwach for their words of inspiration and motivation. I must also remember the support provided by my lovely wife Arvind and fatigue-relief by my two small kids Vidushi and Divyajyot (Chiku). I am also very thankful to my father-in-law Sh. Mahender Singh Nasier and mother-in-law Smt. Shanta Kumari for their blessings. My brothers-in-law Sh. Ravinder Kumar Hooda, Dr. Nawneet Hooda and Sh. Ravinder Siwach were always greatly supportive.

My research would not have been possible without the insightful and meaningful contributions of my esteemed supervisor Prof. Mukesh Dhunna, whom I consider an authority in the area of IT and New Media. I must also bow my head before Prof. Ajay K. Rajan, an enlightening figure and mentor in my life. I also express my heart-felt thanks to all my teachers including Prof. Daleep Singh, Prof. S.K. Bedi, Prof. H.J. Ghosh Roy (also Director, I.M.S.A.R.), Prof. A.S. Boora, Prof. Neelam Jain, Dr. Rishi Chaudhary, Dr. Raj Kumar and Dr. Somveer Rathi without whose contribution I would not have reached this far in life. I would also like to remember the help and cooperation of my former colleagues including Dr. Sanjay Nandal, Dr. Pardeep Ahlawat, Dr. Jagdeep Singla, Dr. Shweta Hooda, Dr. Seema Dahiya and Dr. Divya Malhan. I must also thank all those people from whom I have learnt a great deal in life; particularly the worthy Vice-Chancellor Prof. R.P Hooda and honourable Registrar Dr. S.P. Vats who have always helped me, whenever I needed it.

(Mr. Rajneesh Ahlawat)
