ACKNOWLEDGEMENT

It is a matter of delectation for me to express gratitude to my revered guide and true mentor, Professor Daleep Singh, Faculty of Management Sciences, M.D.University, Rohtak, who has been very generous and ever willing to help me throughout the research work till it could see its completion, in the form of Ph.D. thesis, notwithstanding his heavy engagements. It is a matter of proud privilege to work under such a scholarly, delightful and pleasant scholar indeed.

I am thankful to Dr.S.K.Bedi, Professor and Director, Institute of Management Studies and Research, M.D. University, Rohtak and other faculty members of the IMSAR for their valuable suggestions.

I also deem it my virtuous duty to convey my gratefulness to Dr.S.N.Manocha, Principal, and Govt.Polytechnic, Manesar (Gurgaon) for his adroit teachings and unceasing stimuli and I also owe a debt to Dr.M.M.Kaushik, Asstt.Admn.Officer, IMSAR for forwarding a helping hand throughout the research work.

In carrying out the fieldwork, I was obviously dependent on the goodwill of many people. I am especially indebted to the respondents – academia and students of different polytechnics/technical institutions of Haryana – who cooperated during the interview.

I specially owe my gratitude to all those several people who remain unnamed and helped me at various stages of the study.

I am also deeply indebted to my wife, Annu Bhayana, son, Kuku, daughter, Kitty, who stood up to bolster my morale.
