A researcher is always helped and influenced by many during the writing of his research work. I have received help and support from many people during the writing of this project. It is my pious duty to recognize their help.

Words are inadequate to express my respectful and heartiest gratitude to my esteemed supervisor Dr. Naresh Kumar, Reader, Department of Law, M.D. University, Rohtak for his fatherly behaviour, keen interest, inspiring suggestions, sympathetic attitude, pains-taking supervision, affectionate guidance and constant encouragement in the work of this monograph. His demanding and exacting standards induced in me the spirit of hardwork and self discipline as a researcher. His keen interest in my work gave me the much required self-reliance and confidence. It is the unreserved scholarly guidance and sparing of time for me by my respected teacher that I am able to complete this work.

It is a matter of inordinate "amour propre" and declaration for me to express my deep sense of devoutly gratitude to Dr. (Prof.) KPS Mahalwar, Head and Dean, Department of Law, M.D. University, Rohtak for his adroit teachings, unceasing stimulus and above all his firm confidence in me.
