ACKNOWLEDGEMENT

I extend my special and sincere heartfelt thanks to my esteemed research supervisor, Dr. V.S.K. Venkatachalapathy, for providing invaluable guidance to research and constant supports to my study. His perpetual energy and enthusiasm in research had motivated me to complete my research in time, in addition, he was always accessible and provides thought provoking ideas in my study. As a result, the research life became smooth and gratifying for me.

I extend my profound thanks to chief patron Sri Jayendra Saraswathi Swamiji, Dr. P.V. Vaidyanathan, Chancellor, Prof. Dr. V.S. Vishnu Potty, Vice Chancellor of Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya University for providing this wonderful opportunity to carry on my research.

I express sincere thanks to Dr. M.S. Laksmi Narayanan, Registrar and Dr. K.S. Meenakhisundaram, Controller of Examinations for their constant support in carrying out my research.

My special thanks to Dr. K.P.V. Ramana Kumar, Dean (Research & Development), Dr. G. Sriram, Head of the Department, School of Mechanical Engineering for their invaluable support and timely suggestions for completing my study.

I am deeply grateful to Dr. L. Vijayaraghavan, Professor, Department of Mechanical Engineering, IIT Chennai and Dr. T. Senthil Velan, Head of the Department, Mechanical Engineering, Pondicherry Engineering College, the members of the Doctoral Committee, for providing their constructive suggestions to complete this study.

With immense pleasure, I express my profound sense of gratitude to Thiru. N. Kesavan, Founder & Chairman, Shri. M. Dhanasekaran, Managing Director, Shri. S. V. Sugumaran, Vice-Chairman, Sri Manakula Vinayagar Engineering College, Puducherry for their support and encouragement for carrying on my research work.

I thank all the staff members of Sri Manakula Vinayagar Engineering College, Madagadipet, Puducherry, for their constant motivation and support during the course of my research work.
I also indeed to thank Mr. S. Ranganathan and Mr. T. Rajmohan, Assistant Professor, School of Mechanical Engineering for extending their moral support in completing my study.

Special thanks to Dr. S. Sendhilnathan Dean (i/c) Anna University Tiruchirappalli-Pattukkottai Campus, for taking intense academic interest in this study as well as providing valuable suggestions that improved the quality of this study.

Sincere thanks to Dr. S. Jayakumar, Professor, Department of Civil Engineering, Sri Manakula Vinayagar Engineering College, Puducherry, for devoting his precious time and made many valuable suggestions which indeed helped in improving the clarity of this thesis.

I thank Mr. P. Raja, Assistant Professor, Department of Electronics and Communication Engineering, Mailam Engineering College for their constant support and motivation.

I indeed to thank Mr. R. Prabhu, Associate Professor, Department of Mechanical Engineering, Adhiparasakthi Engineering College, Melmaruvathur, for his kind support and encouragement.

My deepest gratitude goes to my wife Mrs. D. Saraswathi and daughter V.S. Kirtana Varunee and also to all my family members for their unflagging love and support throughout this research work and this paved way to complete the study in a full-fledged manner.

My endeavor stands incomplete without dedicating my gratitude to all the people who have helped and inspired me during this study.
