ACKNOWLEDGEMENT

This thesis is the result of the work carried out under the guidance and supervision of Dr. J. FREDRICK, Associate Professor, Department of Economics, N.M.S.S. Vellaichamy Nadar College (Autonomous), Nagamalai, Madurai to whom a great debt of gratitude is owed. I also gratefully remember him for his valuable and sustained guidance, inspiring encouragement throughout this work. His patient perusal of the manuscript, his stimulating hints and suggestions have been mainly responsible for shaping my thinking into a thesis.

I am indebted to my father Mr. M. MASANAM, my mother Mrs. V. IRULAYEE, my father-in-law Mr. M. NATARAJAN and my wife Mrs. N. ANNANDI who has been a source of inspiration to me in my academic career.
I express my grateful thanks to Dr. M. Panneerselvam, M.Sc., M.R.P(IIT.K), M.Phil., B.L., Ph.D., Principal, Raja Doraisingam Government Arts College, Sivagangai, for providing me an opportunity to do the work very successfully.

My sincere thanks are due to Prof. S. Wilson, Head, PG and Research Department of Economics, Raja Doraisingam Government Arts College, Sivagangai for his kind encouragement and support.

I record my sincere thanks to K.K. Computers, Madurai for their careful and sincere support in the processing, printing and completion of my thesis.

(M. Ganesan)
