ACKNOWLEDGEMENTS

I express my deep gratitude to my research guide Dr. D. P. Sharma, M.Sc., Ph.D., B.Ed., LL.B., Environmental Science Laboratory, Department of Botany, Govt. Model Science College, Gwalior (M.P.) for his valuable guidance and keen interest in this research work. I am heartily thankful to the Principal, Govt. Model Science College, Gwalior (M.P.) and Prof. P. P. Deo, Head of the Botany Department, Govt. Model Science College, Gwalior (M.P.) for providing me the necessary laboratory and library facilities.

I am thankful to Prof. R.M. Agrawal, Head of the Botany Department, School of Studies, Jiwaji University Gwalior for providing me library and other facilities to complete this research work. I am heartily thankful to Prof. Rekha Bhadoriya, Botany Department, School of Studies, Jiwaji University, Gwalior helping me in various ways throughout this research work. Author is highly thankful to the Director, Central Instrumentation Laboratory (CIL), Chandigarh for the valuable help in plant biochemical analysis. Sincere thanks are also due to Prof. G.B.K.S. Prasad, Head of Biochemistry Department, School of Studies, Jiwaji University, Gwalior for his valuable help during the analytical work.

Grateful thanks are also due to Dr. H.O. Sharma, Dr.R.K. Khare, Dr. A.C. Raghuvanshi and Dr.V.K. Sewariya, Dept. of Botany, Dr. Arun Kumar Tripathi and Dr. Kamlesh Kapoor, Dept. of Mathematics, Prof. Sharad Bhadoriya, Dept. of Physics and Dr. Dharm Singh and Dr. A. K. Shukla, Dept. of Chemistry, Govt. Model Science College, Gwalior (M.P.) for their inspirations and support during this work at the research centre. I
am also thankful to my research senior Dr. Ram Lakhan Sakhwar, Dept. of Botany, Govt. P. G. College, Morena (M.P.) and my research junior Mr. Javid Ahmad helping me in various ways during the research work.

I am unable to express my heartfelt thanks to my revered teachers, Shri Raj Bahadur Sharma (Ex-Lecturer, Civics), Shri Mahesh Narayan Tripathi (Ex-teacher in Science) and Dr. Madan Gopal Singh Bhadoriya, Ex-Principal, Janata Inter College, Jaitpur, Agra (U.P.) for their encouragements and morale boosting throughout this research work.

I can't forget my beloved father Shri Narayan Upadhyay and sweet mother Smt. Krishna Devi for their blessings and inspirations to do heard work and achieve the goal of life. I would also like to share my better half Dr. (Smt.) Jyoti Upadhyay, providing me her active help during this research work despite her personal problems. Thanks are also due to my father in law, Shri Damodar Swroop Bohre for encouragements and valuable support for the completion of this work.

I am also grateful to the members of laboratory staff, Mr. Brindavan Lal, Mr. Sajjan Kumar, Mr. Ghanshyam, Mr. Buddh Prakash, Mr. Manoj Pal and Mr. Ravi Kumar employed at the Botany Department, Govt. Model Science College Gwalior. Last but not least, grateful thanks are due to Mr. Manoj Saxena and Mrs. Saxena of Shivani Computers and Graphics, Gwalior for their speedy and accurate typing work.

Satendra Kumar
