

Acknowledgement

I take this opportunity to express my deep sense of gratitude to Prof. N.S.Narasimhan for his inspiring guidance and innovative ideas.

I thank Prof. V.K.Phansalkar, Head of the Department of Chemistry, University of Poona, for providing the necessary facilities.

I am also indebted to Dr. M.S.Wadia for his keen interest and critical suggestions from time to time.

I am also thankful to Dr.S.P.Chandrachood and Dr.T. Mukhopadhyay for their helpful discussions.

I thank Drs. S.L. Kelkar, R.S.Mali, N.R.Shete and P.G. Karmarkar for their ready help.

The assistance provided by Mr. S.S.Sardesai, Mr. D.D. Dhavale and Mr. E.B. Kochti for NMR, IR and UV spectra as well as microanalysis, is gratefully acknowledged.

The cooperation extended by all my colleagues, especially Mr. M.V.Barve, Mr. B.K. Kulkarni, Mr. and Mrs. Kusurkar, Mrs. S.D. Joag, Mr. H.R. Deshpande, Mrs. N.P.Dani and Mrs. A.A. Thakar was a necessity for the completion of Ph.D. work.

I acknowledge the constant encouragement of both of my families (Chandrachoods and Kothurkars) and the endurance of my daughter Ritaja.

The financial assistance by the University Grants Commission, New Delhi, and University of Poona, made the completion of this work possible.

Pune,
April 1980.

(P.S. Chandrachood)
